SSS backs government push for one-stop digital services; Digital MySSS Card, other key services to be on eGovPH superapp soon

Social Security System (SSS) President and Chief Executive Officer Victor Alfonso A. Limlingan (third from left) and Department of Information and Communications Technology (DICT) Secretary Robert Joseph M. de Claro (second from left) sign a data sharing agreement on 21 October 2026 to bring the digital MySSS Card and selected SSS services on the eGovPH superapp. Also in photo are DICT Assistant Secretary for e-Government Maria Victoria C. Castro (left) and SSS Senior Vice President for Member Services and Support Group Joy A. Villacorta (right).

QUEZON CITY, 4 November 2026 – The Social Security System (SSS) supports the government's push for more connected and accessible public services by bringing the MySSS Card's front-facing ID feature and selected member services to the eGovPH superapp

The SSS and the Department of Information and Communications Technology (DICT) signed a data-sharing agreement on 21 October 2026 in Quezon City to enable the integration. The agreement was signed by DICT Secretary Robert Joseph M. de Claro and SSS President and Chief Executive Officer Victor Alfonso A. Limlingan.

The partnership comes shortly after de Claro's appointment as DICT Secretary, following his tenure as SSS President and Chief Executive Officer, and advances collaboration between the two agencies.

"This partnership marks a major step in making SSS services more accessible and convenient for our members. By integrating the digital MySSS Card and key services into the eGovPH superapp, we are bringing social security closer to every Filipino—right at their fingertips," Limlingan said.

Once integrated, members will be able to access the front-facing digital representation of their MySSS Card as one of the IDs available through the eGovPH superapp. They will also be able to view their contribution history, total number of contributions, latest membership type, and most recent employer information.

These services will help members check whether contributions have been posted and verify their membership and employer information through a shared government platform.

Limlingan emphasized that the integration reflects the SSS' commitment to digital transformation and member convenience.

BENTE Productions brings Filipino stories to Busan's ACFM 2026

BENTE Productions Vice President Cyrene Grace Lubigan (center) attends the Asian Contents & Film Market (ACFM) in Busan, South Korea alongside company delegates.

On October 10-13, 2026, BENTE Productions Inc., a multimedia company based in the Philippines, participated in the Asian Contents and Film Market (ACFM), held in Busan, South Korea. The ACFM will offer an opportunity to connect with international streaming platforms and explore the possibility of showcasing Filipino films to a global audience.

Launched in 2024, BENTE Productions aims to shine a light on authentic Filipino stories and share them with audiences worldwide. Kusinerang Bulag, the production company's second feature film, follows the story of Luz, a passionate young cook who found herself fighting to save her family's restaurant despite losing her sight in a tragedy.

Currently, the team is preparing for its third film titled Sulat para kay Tatay (Letters for my Father), a heartwarming story about a daughter in search of her estranged father.

"Beyond building our brand, we aim to bring community stories to the forefront. It is also the reason why we created this platform, to amplify Filipino voices, showcasing both struggles and grit to the world," BENTE Productions President Ms. Marilyn Magampon Manila shared.

Beyond filmmaking, BENTE Productions carries with it the spirit of empowering communities. The multimedia company grew out of CARD Mutually Reinforcing Institutions (CARD MRI), a social development organization founded in 1986. With 40 institutions working together to eradicate poverty, CARD MRI's mission of empowerment is now finding expression on the global screen through BENTE Productions.

Joining the BENTE Productions delegation are the film's cast, winners of Sinemaya 2025, the multimedia company's annual community short film festival, along with media partners who continue to support CARD MRI's advocacy. Together, they hope to strengthen industry connections and explore opportunities for future collaborations with other production companies.

More than a milestone, BENTE Productions firmly believes that participating in events like ACFM will be a significant step toward establishing its presence and promoting CARD MRI's advocacy on the global screen.

should not have to visit multiple offices or use multiple applications just to access basic services. Through eGovPH superapp, we are making it easier for Filipinos to check their contributions, verify their membership status, and access their MySSS Card—all in one place," he said.

The move is part of the government's broader digital transformation agenda, which seeks to connect agencies' services through a shared digital platform that unifies government services in one application.

DICT and SSS said the partnership is also intended to expand social-protection access for digital workers, including freelancers and online professionals, by making SSS services easier to find and use online.

While members can already access their membership and contribution records through the MySSS mobile app, the integration will provide another convenient way to view these records, together with the MySSS Card ID feature, alongside other government services.

Limlingan said the agreement signals that the SSS will be among the government agencies feeding services into eGovPH superapp, supporting the administration's goal of integrating all government services into the platform.

"We are proud to be part of this national effort to unify government services. The SSS remains committed to leveraging technology to deliver faster, more secure, and more member-centered service," Limlingan said. #

GOV. ABENG, BM JASMIN AT REIN VIDALLON VARIAS, PINANGUNAHAN ANG PAGPAPASINAYA NG SENIOR CITIZEN CENTER SA BARANGAY SINALIW NA MUNTI, ALFONSO

Pinangunahan nina Governor Abeng Remulla, Board Member Jasmin Maligaya at Hon. Reinalyn "Rein" Vidallon Varias ang Blessing and Inauguration ng bagong Senior Citizen Center sa Barangay Sinaliw na Munti, Alfonso, Cavite noong Nobyembre 10, 2026.

Bahagi ng makabuluhang okasyon ang pormal na pagbabasbas at pagpapasinaya sa pasilidad na nakalaan para sa mga senior citizen ng barangay. Inaasahang magsisilbi itong lugar para sa kanilang mga aktibidad, pagtitipon at iba pang programang naglalayong mapangalagaan ang kanilang kapakanan.

Kasama rin sa nasabing aktibidad ang mga miyembro ng Sangguniang Bayan, bilang suporta sa mga proyektong nakatuon sa pagpapabuti ng mga pasilidad at serbisyong pampubliko.

Mainit namang tinanggap ang mga panauhin ni Barangay Chairperson Marilou A. Ferre at ng buong Barangay Council, na nanguna sa pagdaraos ng nasabing seremonya.

Ang pagkakaroon ng Senior Citizen Center ay isang mahalagang hakbang upang mabigyan ang mga nakatatanda ng maayos na lugar kung saan maaari silang magsagawa ng mga aktibidad, makisalamuha sa kapwa senior citizen at makilahok sa mga programang pangkomunidad.

Sa pamamagitan ng mga ganitong proyekto, naipapakita ang kahalagahan ng pagbibigay-pansin sa pangangailangan ng bawat sektor, lalo na sa mga lolo't lola na nararapat patuloy na mabigyan ng pagkalinga, paggalang at serbisyong naaayon sa kanilang pangangailangan.
