Binawing hustisya...

Sadyang napakasakit at tagos sa buto ang kirot na naramdaman ng mga kaanak ng mga biktima ng karumal-dumal na krimen. Kahit bilangan ng taon ay hindi sapat upang pawiin ang ala-ala ng bangungot na dumaan sa kanilang buhay.

Napapanahon ang pinagdidiskusyonan at kontrobersyal na RA 10592 o GCTA Law, ang batas na nagsasaad na mapapalaya ang isang bilanggo ayon sa kanyang Good Conduct Time Allowance. Naisip kaya ng mga hinayupak na nagbalangkas ng batas na ito na mga karumal-dumal o heinous crimes ang kinasangkutan ng mga kriminal na ito. Isipin na lang sana nila ang isang inosenteng tao na ginahasa, pinatay at itinapon pa ang bangkay na parang basura.

Kung susuriin, hindi sapat ang makulong. Panahon na upang ibalik ang Death Penalty, huwag ng bigyan ng second chance. Bakit, sa panig ba ng mga nasawi, may second chance pa ba sila. Pampalubag-loob na lang sa mga kaanak ng biktima ang mahuli, makulong at masintensyahan ang kriminal. Pero ang palayain...para nyo na rin binawi ang hustisyang nakamit ng mga nasawi at kaanak.

Nakakalungkot isipin na matataas pa ang posisyon sa gobyerno ang naka-back up upang hilingin ang kalayaan ng isang kriminal. Ah baka naman birds of same feather sila. Alam naman natin yan, wala lang maglakas loob na magsalita.

Tingnan mo nga naman, basta mayayaman at sikat (sikot sa kawalanghiyaan) ang nasanggot sa krimen, buhay sila bagama't pumuti na ang mga buhok sa kulungan ay pinapanginoon ng mga hayok at gutom sa salapi. Pero yun mga nagnakaw ng sardinas, nagnakaw ng bigas para sa nagugutom na pamilya, ni wala yata sa listahan na maaaring palayain.

Paanong hindi ko masasabi ang bagay na ito, mismong ako ay naulila sa ama noong 1971. Mayaman at maimpluwensiya ang kriminal, kung kaya't napatahimik nila ang testigo, binusalan ng kinang ng salapi. Sa harap mismo ng kumpare ng ama ko siya walang awang binaril sa ulo. Nawalan ng sagsay ang demanda. Hanggang sa mga sandaling ito ay nakakaramdam ako ng galit at paghihigante. Pero ipinagpasa-Dios ng aming pamilya ang isang delu-byong dumaan sa aming buhay. Taimtim ko itong ipinapanalangin hanggang sa kasalukuyan.

Malakas ang aking paniniwala na lahat ng kasalanan ay pagbabayaran.. sa panahong ang Maylikha ang magtatakda.

Virus sa sewage-DOH

Hinihikayat ng Department of Health ang mga magulang na pabakunahan ng polio vaccine ang kanilang mga anak dahil sa natuklasan nilang virus mula sa sewages.

Ayon kay Health Sec. Francisco Duque, lumalabas na positibo sa vaccine-derived poliovirus (VDPV) ang tubig mula sa Maynila. Pahihinain ng naturang virus ang katawan ng

isang bata. Bagama't wala pang naitalang transmission nito, sinabi ni Duque na kailangan maging handa ang mga magulang lalupa't nasa environment na ang virus.

Dagdag pa ni Duque na walang gamot sa polio maliban sa kumpletong vaccination lamang upang makaiwas sa sakit. Nakamamatay ang sakit at karaniwan appektado nito ang mga batang nasa edad 15. Nakukuha sa fecal-oral

route ang virus dahil na rin ng kakulangan sa tamang hygiene at malinis na kapaligiran.

Idinagdag din ni Duque na ang sewages ay bumabagsak sa Manila Bay kung kaya't hindi pa rin ligtas maligo dito. Anya ni Duque, magsasagawa sila ng immunization drive para sa polio upang matiyak na mabibigyan ng bakuna ang 5.5 million bata sa NCR, Central Luzon at CALABARZON.

Mandatory feeding program...

Isinumite ni House Deputy Speaker at 1Pacman Partylist Rep. Mikee Romero ang panukalang-batas na magkaroon ng tuloy-tuloy at integridad na food feeding program sa mga batang mag-aaral sa buong kapuluan.

Layon ng House Bill 197 ang mandatory feeding program para

sa mga school children sa pamamagitan ng paglalaan ng tatlong porsiyento ng internal revenue allotment (IRA) para sa bawat siyudad at bayan.

Sa ilalim ng panukalang mandatory feeding program, maglalaan ng P18 minimum budget para sa isang meal. Ang lokal na pamahalaan ang magtatakda ng lugar ng feeding program

sa pakikipagtulungan ang hhDSWD at DepEd at tutukuyin ang mga mag aaral na saklaw ng programa.

Sakaling maaprubahan ang naturang programa, ang DSWD at DepEd ang maglalatag ng mga kailangan patakaran at regulasyon para sa epektibong pagpapatupad ng panukalang-batas.

Nakalaya sa GCTA pinaaresto...

Ayon kay Senate Minority Leader Franklin Drilon, may legal basis para muling arestuhin ang nakalayang 1,914 heinous crime convicts dahil nagkamali sa pagpapalabas sa kanila ang Bureau of Corrections. Kabilang sa mga nakalaya ang gumahasa at pumatay sa magkapatid na Chiong Sisters ng Cebu noong 1997.

Idinagdag din ni Drilon ang kasong People of the Philippines vs. Tan, kung saan sinabi ng Korte Suprema na maaaring muling arestuhin ang mga pinalayang bilanggo kung

hindi nasunod ang tamang proseso. Dagdag pa nito, mas kailangan paboran ng batas ang mga biktima at hindi ang mga akusado dahil mawawala ang tiwala ng mamamayan sa justice system ng bansa. Aminado naman ang Senador na tanging ang Supreme Court ang magdedesisyon sa usapin ng mga pinalayang bilanggo. Ginawa ni Drilon ang pahayag matapos ipag-utos ng Malacañang sa DOJ na pag-aralan ang posibilidad na pag-aresto sa mga pinalayang preso gayun hindi naman kwalipikado sa Good Conduct Time Allowance dahil

nakagawa sila ng karumal-dumal na krimen.

Dahil sa ginawang pagpapalaya at umani ng batikos ang Bureau of Corrections dahil sa GCTA law, wala ng balak si Pangulong Duterte na ituloy ang implementasyon ng RA 10592. Tiniyak din ni Panelo na hindi kukunsintihin ng Pangulo ang maling sistema sa ilalim ng kanyang administrasyon. Idinagdag pa ni Panelo na hindi sa ilalim ng administrasyon ni Duterte binalangkas ang GCTA Law kundi sa ilalim ng panunungkulan ni dating Pangulong Benigno Aquino III.

CALAMBA CITY. Makikita sa larawan ang labis na tuwa sa limang kapitan ng Brgy. Bucal, Bagong Kalsada, Maunong, Uwisan at Loo kasama ang kani-kanilang konsehales ng barangay ng ipamahagi sa kanila ni Konsehal Joey Chipeco kasama ang Kinatawan ng Lone District ng Calamba Kgg. Joaquin M. Chipeco Jr., ang huling limang unit ng ambulansiya.

Ayon sa isang kapitan na aking nakap-anayam, bagama't sila ang panghuli sa 54 barangay na nakatanggap ng ambulansiya, naniniwala sila na siniguro lamang ng Hyundai gayundin ng General Services Office na maayos at kumpleto ang dokumento ng kanilang mga sasakyan bago ito mai-turn over sa kanila. Katulad ng mga naunang ambulansiya, kumpleto ang mga ito ng first-aid kit at medical equipment para sa paunang lunas.

Ang mga ambulansyang ito ay bahagi ng pangkalusugan programa ng Punong-Lungsod, Kgg. Justin Marc SB. Chipeco kasama ang Sangguniang Panlungsod.

OCTOBER EYED FOR CALAX FIRST SEGMENT OPENING

Binan City, Laguna - Eyeing to open the first 10km segment of the Cavite-Laguna Expressway (CALAX) this October, Department of Public Works and Highways Secretary Mark Villar with the DPWH Technical Team, along with Metro Pacific Tollways Corporation subsidiary MP CALA Holdings, Inc executives inspect the construction development of the alignment starting from the Mamplasan Toll Barrier unto Silang East, Cavite interchange Tuesday.

"Opening this first segment will be beneficial to the growing industrial, commercial and real estate centers of this part of the Southern Tagalog Region.

About 10,000 cars are forecasted to be served, eventually decongesting Governor's Drive, Aguinaldo Highway, and Sta. Rosa-Tagaytay Road. We are nearing the opening this October. Despite some challenges in the ROW acquisition which kept us from delivering earlier as we hoped, we are addressing these challenges in order to keep to the timeline and deliver the full 45km by early 2022. Once completed it will only take 45 minutes from the usual 2-hour travel time taking the same route and about 50k cars will experience this convenience." Villar stated.

The first segment starts at the Mamplasan Barrier and passes through Laguna Tech-

nopark interchange, Laguna Boulevard Interchange all the way to Santa Rosa-Tagaytay Interchange.

MP Cala Holdings, Inc president Bobby Bontia said "We look forward to deliver the full 45km by the second quarter of 2022. Faster, safer, more comfortable and a reliable route will be experienced by motorists traversing between Bacoor and Kawit, Cavite areas, and the Laguna and South Luzon areas. Among the features of CALAX will be the installation of Automatic License Plate Recognition System enabling barrier-less entry. IP Based Speed Detection Cameras will also be strategically installed together with HD CCTV

coverage for the entire stretch of the expressway which will further ensure safety of the motorists. There will be gasoline stations, retail outlets, convenience stores, restaurants, along with security, and maintenance centers to address the needs of every motorist who would pass through our toll road."

CALAX is designed to be a 4-lane, 45km tolled expressway that will connect CAVITEX in Kawit to SLEX at their Mamplasan Interchange in Binan Laguna. The Project will have interchanges in 8 locations, namely: Kawit, Daang Hari, Governor's Drive, Aguinaldo Highway, Silang, Sta. Rosa-Tagaytay, Laguna Blvd., Tech-

nopark, and a Toll Barrier before SLEX.

Metro Pacific Tollways Corporation's domestic portfolio includes the concessions of North Luzon Expressway (NLEX), the Subic-Clark Tarlac Expressway (SCTEX), the NLEX Connector Road, and the Cebu-Cordova Link Expressway (CCLEX) in Cebu. **Roselle Aquino**

NAPOLCOM kicks off 25th nat'l crime prevention week celebration

The National Police Commission (NAPOLCOM) Regional Office No. IV-A, in observance of the 25th National Crime Prevention Week (NCPW) celebration, kicks off the weeklong celebration in Batangas City on September

2, 2019 with this year's theme, Buhay Pahalagahan, Komunidad Magtutungan, Krimen ay Hadlangan!

As the NCPW reaches a milestone in its 25th year of observance, this year's celebration shall focus on strengthening its efforts to significantly

reduce opportunities for crime and its commission.

Member-agencies from the Department of Interior and Local Government (DILG), Police Regional Office (PRO) 4A CALABARZON, Bureau of Jail Management and Penology (BJMP), Bureau of Fire Protection (BFP), Philippine Information Agency (PIA), and Philippine Drug Enforcement Agency (PDEA) as well as community partners from Prime Movers (PRIMO) for Peace and Progress, Assn., Inc. and Rotary Club of Uptown Santa Rosa worked together in crafting a line-up of programs, projects and activities that will engage the active participation, support and cooperation of government agencies, nongovernment organizations, and community sector represented by barangay leaders, youth and the academe in the CALABARZON region.

Commencing the conduct of 25th NCPW Kickoff Ceremony is the distribution of flyers and brochures on crime prevention and other information materials on recruitment process and require-

ments of law enforcement and public safety agencies of the government to passers-by and civilian participants.

Highlights of the kickoff ceremony include the conferring of awards and recognition to the region's 2019 Model PNP Families and outstanding members of the Philippine National Police (PNP) who exhibited exceptional courage and gallantry in the performance of service.

Regional awardee of the 2019 Model PNP Families is PEMS Grace Tenorio Bendulo and Family from the province of Cavite who was evaluated and screened based on the positive social behavior and influence they had exhibited in promoting the concept of CSOP system in communities.

Receiving the PNP Gallantry Awards for this year is PCpl Alric Natividad of Biñan City Police Station, Laguna Police Provincial Office. PCpl Natividad displayed exemplary bravery on March 24, 2019, during the conduct of an Anti-Illegal Drug Operation in Barangay San Jose, Biñan City, Laguna. Despite having sustained gunshot

wounds, he continued pursuit of armed drug suspect identified as Junaid L Cabugatan, to ensure the latter's arrest. Prior to this incident, he was also the main player in the neutralization of notorious drug suspects and the clearing of "Shabu Tiangge in the City." PSSg Joseph Dolosa Monjardin and the late PCpl Ariel Ingosa Dapyawen are both members of the Antipolo City Police Station, Rizal Police Provincial Office designated as Intelligence Operatives. On April 23, 2019, a buy-bust operation was conducted against suspects Ranie Lajota y Edma AKA LAON and his brother Celeste Lajota y Edma AKA ECHAY at Sitio Sagipin, Brgy Dela Paz, Antipolo City. Suspects are known for their notoriety as drug dealers and gun-for-hire. Suspects, after sensing the presence of police operatives, drew and fired gunshots that led to an armed encounter. The exchange of gunfire resulted to the death of suspects AKA LAON and AKA ECHAY. Pat Dapyawen, on the other hand, sustained gunshot wounds in the upper body that led

to his untimely death while PSSG Monjardin sustained gunshot wounds in the stomach. Other gallantry awardees are Pat Emidio B Carag of the Bacoor CPS and P/Maj Rodel S Ban-O, P/CMS Efren D Montenegro and P/SSg John Kenneth B Bay of the Batangas Police Provincial Office.

Other crime prevention activities prepared by the NCPW TWG are radio and television interviews in local media outlets. Seminars on crime prevention will also take place to raise awareness in the community.

Graduating college students in selected colleges and universities in the region shall also serve as participants in a career orientation program to be led by recruitment officers of the PRO4A, BJMP, BFP and PDEA. The activity aims to equip the potential future aspirants with knowledge on overview and profile of said agencies, recruitment requirements and processes, as well as compensation and benefits awaiting successful applicants. **#(NAPOLCOM Region 4A)**

Parents Welfare Act of 2000, ay makakatulong sa mahigit 15 million solo parents kung saan 95 porsiyento sa mga ito ay mga babae kaya dapat mapagaan ang kanilang sitwasyon sa pagpapalaki ng kanilang mga anak lalo na kung may kinakandiling sanggol.

Nais ni Revilla na ang mga solo parents ay magtamasa ng 20 porsiyentong diskuwento sa pagbili ng gatas na pambata, pagkain, food supplements, vitamins at iba pang kahalintulad na pangangailangan na may kaugnayan para mapagaan ang buhay ng isang solo parent.

Hanggang sa pagpapagmamaging pribado man o pampublikong ospital ay iiral ang 20 porsiyentong diskuwento at epektibon rin ito sa pagbabayad

ng tuition mula kindergarten hanggang makapagtapos ng kolehiyo na ang tanging kailangan lamang ay magkasamang namumuhay ang solo parent at ang anak o mga anak nito.

Isinusulong din ni Revilla na magkaroon ng bagong non-cumulative "parental leave" na hindi hihigit sa pitong working days na may bayad kada taon para sa solo parents na nakapagserbisyo na ng isa't kalahating taon sa kumpanyang kaniyang pinaglilingkuran.

Ang batas na ito ni Revilla ay malaking suporta sa matagal ng adobokasiya ng Department of Social Welfare and Development na maamyendahan ang umiiral na batas na sumusuporta sa solo parenthood.###

Healthcare wastes in Manila Bay... from p. 1

pitals contribute to the destruction of the bay and all the living organisms depending on it.

"Hindi lang (not just) households ang source of waste, pati rin ang (but also) health care facilities especially their liquid waste. And the major contributors are the Region 4-A provinces near the bay. In terms of population, it is big, because Cavite alone has a lot of informal settlers and they don't have sanitation facilities, and there are a number of hospitals in the region," Mogol said.

Cavite, Rizal, and Laguna were identified as the biggest contributors to health-care waste in Manila Bay.

Citing that the Supreme Court, through Department of Environment and Natural Resources- DOH Administrative Order 2005-2, has instructed DOH 4-A to report which hospitals comply with proper waste management, Mogol said it is deemed that many hospitals are unable to dispose of their health-care wastes properly.

"Hospitals in the region must be able to satisfy all the elements like

waste generation, waste segregation and storage, collection and transport, treatment disposal and liquid waste management," he said.

In line with this, Mogol explained that secondary and tertiary health care facilities are expected to have their own sewerage treatment facilities that would handle their liquid wastes which can be chemicals, biological fluids, or a combination of both.

"Organic materials and other contaminants must be treated because the ecosystem has a carrying capacity, wherein it can no longer handle or treat heavy pollution load. The living creatures in the bay will be affected like the fish they can be contaminated with coliform and heavy metals and also people who are using the bay who are taking a bath there or doing some recreational activities there," he said.

To address this issue, the DOH 4-A conducted three-day training for the local government units and hospitals in the region on liquid waste management, solid waste

management, informal settler families and illegal structures, habitat and resources management, and institutional arrangement and governance.

"Ang maganda dito maliliwanagan kung mga hospital kasi may protocol naman po kung paano madi-dispose ang waste kaya lang (The good thing about this is that the hospitals will be enlightened since there's a protocol on how to dispose waste but) it's not clear with some as to how it is going to be from the patient to the nurses' station to storage and to where exactly the waste must be disposed. I think the lapses happen there," Non-Communicable Disease cluster head Dr. Marilou Espiritu said.

"Through this training and the technical, spread of infectious diseases especially if the ones disposed are infectious wastes like syringes, placenta, human waste," Espiritu added.

The training, which started on Tuesday until Thursday, also provided the participants updates on the Manila Bay monitoring tool. (gocavite)

Senator 'Bato' underscores Service, Honor, and Justice in the Police Service

Camp Vicente Lim, Calamba City - The former Chief, Philippine National Police now Senator of the 18th Congress Ronald Dela Rosa as the Guest of Honor and Speaker, emphasized the PNP's Philosophy of Service, Honor, and Justice to the members of Police Regional Office CALABARZON and other visitors during the 118th Police Service Anniversary Celebration held Thursday at this camp.

With this year's theme "Pinaghusay na Serbisyo, Alay sa Sambayanang Pilipino," Dela Rosa reminded everyone to embrace the 3 philosophies in the performance of duties as police officers. "Kung ito ay isa-puso, isa-isip, at isa-diwa natin ay hindi tayo magkakamali at wala tayong dapat ika-hiya. One should not be tainted with irregularities and corruption, being honorable should not build barrier between you even the lowest person in the community. One can be honorable by making people feel good," the hard rock Senator emphasized during his speech.

During the celebration, Dela Rosa recognized and congratulates the Regional Office for its outstanding achievements having been conferred as one of the Special Unit Awardees for accomplishing the most number of arrested Gun-for-Hire suspects in relation to the implementation of COMELEC Gun Ban during the 2019 elections. The award was given during the same celebration held last August 9 in Camp Crame.

Awarding of individuals and units highlighted this year's 118th Po-

lice Service Anniversary Celebration.

"Binabati ko ang inyong mga outstanding personnel bilang patunay na ang PRO4A ay hindi nauubusan ng mga bayaning pulis na magiging, masigasig maglingkod at may pagmamahal sa bayan," the Senator said further giving emphasis on seeking ways to improve the condition of the police force and promote the reforms in the PNP organization.

"I want you to know that the PNP will always have a special place in my heart. Ang pangako ko sa PNP ay hindi ko kayo pababayaan habang nasa Senado ako," the Senator also said.

Dela Rosa retired as the 21st Chief PNP and was later appointed as Bureau Corrections Chief who led the crackdown on illegal activities, illegal drugs and corruptions in the Bureau.

Inspired by his concern for the welfare of his countrymen, he ran for public office earning the 5th spot for Senator in the recent 2019 elections.

After being proclaimed as one of the Senators for the 18th Congress, he immediately filed a bill calling for the imposition of the death penalty in certain crimes punishable under RA 9165, and a bill which aims to provide a scholarship program

to young people who want to become policemen. Another priority bill he filed was the bill aiming towards the safety and security of the young generation with the inclusion of substance abuse prevention education in the K-12 curriculum, the mandatory ROTC, police scholarships and the establishment of crisis centers for street children.

"Magtutulong nAPO tayo para sa ating bayan," he said while challenging the entire PRO4A family to continue serving well and making the PNP and the Filipino people proud as servants and protectors.

Meanwhile, PRO4A Regional Director Police Brig Gen Edward Carranza cited the significance of working together as CALABARZON celebrates victory winning its war against various sorts of criminality in the entire region.

"Peace is possible, if we all work together, as one piece. Let me assure everyone that with the hard working men and women of CALABARZON, more criminals will fall, more will be accounted, and many more will leave CALABARZON because I have directed my Provincial Directors to open the gates of hell and accommodate these bad elements," Carranza in a warning tone.

Female NPA fighter surrenders her M16 rifle in Mindoro

CAMP CAPIN-PIN, Tanay, Rizal - An active female fighter from the NPA's Platoon GMT (Glenn Marie Tamboong) surrendered an M16 rifle to elements of the Army's 2nd Infantry (Jungle Fighter) Division at Brgy Batongbuhay, Sablayan, Occidental Mindoro on Monday.

According to L Col Mario Lito Retirva, Commanding Officer of 76IB, "the female fighter, know in the underground movement as alias Laura, operates in the northern areas of Mindoro Island as lead extortionist."

He added that Laura revealed that "the NPAs are making false promises to cover the rampant corruption within the organization" which is among the major reasons why she turn her back from their armed struggle.

Among the revelations of alias Laura was

the fact that the NPAs are actively recruiting and encouraging the youth to abandon them and their families and take up arms against the government.

The statement of alias Laura supported the security sector's claims during the recent series of public hearings held at the senate.

Col Antonio Lastimado, Commander of the 203rd Infantry Brigade which has operational jurisdiction over Mindoro, encouraged the few remaining NPAs In MIMAROPA Region "to lay down their arms, return to mainstream society and enjoy the benefits and grants provided under the government's Enhanced Comprehensive Local Integration Program."

He added that "this surrender is a clear indicator that the NPA terrorists' senseless armed struggle is close to its end" as shown by the influx of surrenders across

the different provinces in the country.

Since January 2019, a total of 196 former rebels have already surrendered to the government forces in the province of Mindoro.

Meantime, Brig Gen Arnulfo Marcelo Burgos Jr, Commander of the 2nd Infantry Division, lauded the troops and noted their commitment to their sworn duty.

He said that "the soldiers' relentless pursuit for peace, progress and prosperity in CALABAR-

ZON and MIMAROPA to end the communists' acts of terror shall never waver while our flag is flying proud and high" over Philippine territory.

"Today, more than ever, we are in a position to end local communist armed conflict. We are confident that through President Duterte's Executive Order Number 70, we will be able to create a better future for the next generations of Filipinos to come," ended Burgos.
