DOLE: workers to receive P5,000 aid amid Covid-19 Pandemic

BOOST SENIOR CITIZEN'S HEALTH AMID COVID-19 OUTBREAK, HONTIVEROS URGES

My efforts are for all... Calamities like this recognizes no colours, affiliations, nor borders. Everyone is vulnerable. Everyone deserves to be helped

Gov. Jonvic Remulla

Cavite Governor Juanito Victor Remulla Jr. promised his people that his efforts are for all despite differences in color, social status, religious affiliation and political beliefs. In a Facebook post, the governor also mentioned that the provincial government of Cavite has given away almost 100,000 food rations in the past five days.

NAIC, CAVITE MAYOR TESTS POSITIVE OF COVID-19

Naic, Cavite Mayor Junio Dualan tested positive of the novel coronavirus (COVID-19). He posted the information on his Facebook page on Tuesday, March 24. The mayor is now under strict self-quarantine.

DA, DILG join forces in enhancing movement of Agri-Fishery products

General Trias LGU , namahagi ng improvised face shields para sa mga healthcare workers! Ayon sa Facebook page ng LGU, "Bilang tugon sa pangangailangan ng ating mga Bayaning Health Workers, namahagi ng improvised face shields at mga bagong safety shoes sa staff ng City of General Trias Medicare Hospital. Nakatanggap din ng face shields ang Divine Grace Medical Center, City of General Trias Doctor's Hospital, at General Trias Medical Center. Salamat po sa inyong Serbisyo at Sakripisyo!"

Boost senior citizen's health amid COVID-19 outbreak, Hontiveros urges

As cases of the 2019 novel coronavirus (COVID-19) rise across the country, those most vulnerable to getting infected - and even dying from the disease - are the country's elderly population.

That is why communities should take more steps to boost the health of senior citizens and help protect them from the COVID-19 outbreak, according to Senator Risa Hontiveros.

"Our senior citizens need to take extra care during this outbreak, just like pregnant women and children, or those

with existing medical conditions like hypertension, diabetes and asthma. Let us not forget them in this time of crisis," she said.

Hontiveros said that following government protocols, senior citizens should, as much as possible, stay at home during the Enhanced Community Quarantine (ECQ) to minimize their potential exposure to COVID-19.

Likewise, she said, families should also comply with guidelines by health experts on how to take care of the elderly amid the outbreak. Foremost among

these "tips," Hontiveros noted, is ensuring that older family members continue to take their prescribed medication, and that they eat nutritious meals which follow their prescribed diet, if any.

Despite the quarantine, Hontiveros said that families should make sure that their elderly loved ones get ample sunlight for "Vitamin D," which experts say can improve resistance against diseases. She added that the entire house should be kept clean, and proper disinfection procedures must be followed when-

ever any member of the household goes out for groceries or errands.

Families should also not forget to talk with their older family members, and address their mental health needs, such as anxieties or fears in relation to the crisis. "We have to make our beloved grandparents feel that we are here for them amid these trying times," she said.

Hontiveros then reminded poor families or those whose income have been severely affected by the ongoing quarantine to avail of cash assistance programs under

the expanded Pantawid Familyang Pilipino Program to be implemented by local offices of the Department of Social Welfare and Development (DSWD), so that they will be able to buy food, medicine and other basic necessities. The emergency cash assistance program was made possible by an amendment introduced by Hontiveros to the "Bayanihan to Heal as One Act" or Republic Act 11469.

The senator also encouraged everyone to participate in "Protect Lolo't Lola" campaign, a nationwide campaign

she is spearheading to help better protect the health of elderly Filipinos. The campaign focuses on sending "immunopacks" to elderly Filipinos, especially those living in poor communities and homes for the elderly.

Each immunopack, Hontiveros explained, contains vitamins, milk, canned goods, a face-mask, rice and other basic necessities. "By providing their basic needs, we provide much needed protection to our senior citizens, and help keep the threat of COVID-19 as far away as possible," she said. ###

PhilHealth ipatutupad ang Interim Reimbursement Mechanism (IRM) sa ilalim ng Public Health Emergency

Upang masiguro na patuloy na makapagbigay ng

serbisyong medikal ang mga pasilidad sa panahon ng pandemic dulot ng COVID-19, ipapa-

tupad ng PhilHealth ang Interim Reimbursement Mechanism (IRM). Ang Interim Re-

imbursement Mechanism (IRM) para sa mga Health Care Institution (HCI) ay isang probisyon para magbigyan ng agarang tulong ang isang HCI na naapektuhan ng hindi inaasahang pangyayari (fortuitous event) at maipagpatuloy ang pagbibigay serbisyong medikal sa mga miyembro ng PhilHealth.

Upang magamit ang IRM, kinakailangang magsumite ang HCI ng sulat sa PhilHealth Regional Office (PRO) na nakakasakop sa kanila. Nakapaloob sa nasabing sulat ang paglalarawan ng epekto ng fortuitous event sa kanilang pasilidad.

Ang aplikasyon ng IRM ay dapat may lagda ng kanilang Medical Director/Chief o kung sino man na awtorisadong kinatawan ng pasilidad na dadaan sa ebalwasyon ng tanggapan ng PhilHealth. Magkakaroon ng isang Memorandum of Agreement (MOA) sa pagitan ng HCI at PhilHealth. Ang pinal na pagaaprubado sa IRM request ay manggaling pa rin sa Tanggapan ng Punong Presidente at Punong Tagapagpatupad ng PhilHealth.

Gayundin, nakapaloob sa PhilHealth Circular 2020-007 na ang pinalalawig ang pagpapasa ng claims sa PhilHealth mula sa 60

araw hanggang sa 120 na araw mula sa petsa ng paglabas sa pagkaka-ospital ng pasyente. Binibigyan din ng exemption ang polisiya ukol sa 45 day confinement limit at Single Period of Confinement (SPC) kung mao-ospital sa ilalim ng fortuitous event.

Pinalalawig din ang validity ng akredistasyon o ang pagpapasa ng aplikasyon ng akredistasyon ng mga health care provider sa ilalim ng naturang polisiya.

Para sa kumpletong impormasyon ukol sa PhilHealth Circular 2020-007, maaaring bumisita sa www.philhealth.gov.ph. ###

Soldiers Recycle Drum as "Hands-Free" Wash Station

CAMP CAP-INPIN, Tanyag, Rizal - The Fil-

ipino people's ingenuity was tapped by the 2nd Infantry Division when they recycled drums to portable wash stations and deployed them to different Quar-

tine Control Points or QCP in Rizal Province.

Aside from containing the spread of COVID-19, the innovation also serves as communications tool to educate passersby on the importance of personal hygiene to defeat the deadly

virus plaguing the world through witty printed slogans.

According to Maj Gen Arnulfo Marcelo Burgos Jr, Commander of the Philippine Army's 2nd Infantry Division which covers Southern Tagalog,

(cont. p.4)

Taste and see that the Lord is good; blessed is the one who takes refuge in him.

MAYORA LAVERNE "LAV" CHIPECO, PINANGUNAHAN ANG RELIEF GOODS DISTRIBUTION SA BARANGAY CANLUBANG. March 26, 2020 - Pinangunahan ng May Bahay ng ating Punong Lungsod Mayor Timmy Chipeco na si Mayora Laverne "Lav" Chipeco, ang relief goods distribution sa mga sitio ng Barangay Canlubang. Sinigurado ng ating Mayora na maipaabot ng Pamahalaang Lungsod ng Calamba ang tulong para sa ating mga kababayan na kasalukuyang sumasailalim sa lockdown.

Nais ipabatid ni Mayora Lav ang kanyang pagmamahal at pagunawa sa bawat isang Calambeño. Nais din niyang himukin ang lahat na sumunod sa mga ipinapatupad ng National at Local Government.

Namahagi po si Mayor Justin Marc SB. Chipeco ng alcohol and disinfectants sa lahat ng Barangay Chairman para magamit sa kanilang nasasakupan. Kasabay nito ang pagikot ng disinfecting team sa lungsod ng Calamba. Inaasahan po ang pakikisa at pakikipagtulungan ng bawat isa. Sama sama natin labanan ang COVID-19.

MAYOR TIMMY CHIPECO AND HIS STAFF AT CALAMBA CITY HALL REPACKING OF GOODS FOR 54 BARANGAY HALLS IN CALAMBA.

The Barangay Captains will organize the distribution to the households. They are also sanitizing and disinfecting some areas of Calamba.

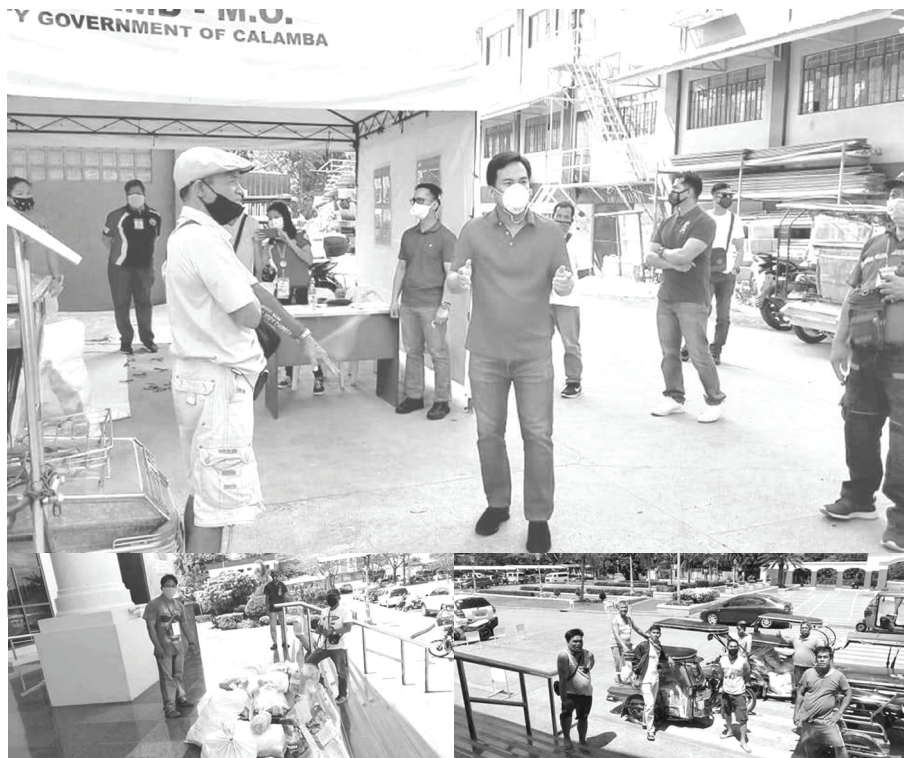

Ayon sa facebook post ni Mayor Justin Marc SB. Chipeco , Nakapamahagi narin po tayo ng pinansyal na tulong, bigas, delata at asukal sa ating mga kapitan para maipamahagi sa kanilang nasasakupan na nangangailangan. Kelangan ko po ng mas malawak na pang unawa higit sa mas may kakayahang maka survive sa araw araw sa ating nararanasang epidemya.

Ang lahat ng LGU sa buong Luzon ay nangangailangan ng supply, kaya ginagawan po natin ng paraan na tayo ay makabili para sa ating syudad.

Hindi lamang po isang beses tayo magbibigay ng pang ayuda mga mahal kong Calambeño dahil hindi natin alam kung gano katagal ang ating paglaban sa epidemyang ating nararanasan.

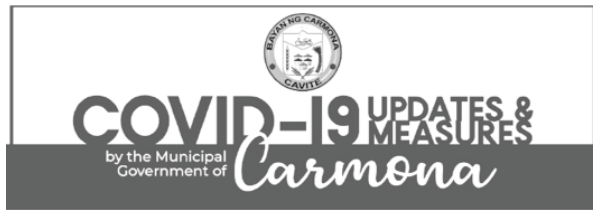

Ang inyong suporta ang lubos na aking kailangan mga mahal kong Calambeño. Ipinagpapasalamat ko ang ang inyong pakikisa.

Mabuhay po ang mga Calambeño, at patuloy po tayong mag ingat.

Namahagi si Mayor Justin Marc SB. Chipeco ng pang ayuda sa humigit kumulang na 8,000 tricycle drivers ng lungsod ng Calamba, dahil isa sila sa sektor na lubhang naapektuhan ng enhanced community quarantine na nagbawal sa mga mass public transportation.

Tutugunan ng ating Mayor ang pangangailangan ng bawat Calambeño habang kinakaharap natin itong crisis. Pinapaalala sa lahat ng ating butihing Mayor na manatili sa inyong mga bahay.

Carmona LGU launches Mobile Palengke at Barangay Bancal. The Municipal Government of Carmona launched its mobile palengke in Barangay Bancal on March 29, 2020. Bancal is the farthest barangay from markets in Carmona which made it a top priority for the said project. The mobile palengke is supervised by the Samahan ng Nagkakaisang Kababaihan ng Carmona, Inc. (SNKCI), a local non-governmental organization composed of women who also manages the Central Material Recovery Facility of the local government.

Carmona MHO packs multivitamins for senior citizens. The Carmona Municipal Health Office (MHO) repacked multivitamins on March 29, 2020 for senior citizens which are known to be part of the high risk groups that could easily be affected by the coronavirus disease (COVID-19). The multivitamins would help the said sector in boosting their immune system.

Mayor Roy Loyola ensures all markets observe social distancing. Municipal Mayor Roy Loyola visited the Carmona Public Market, Waltermart Carmona, and Puregold Carmona in Carmona on March 29, 2020 to check if they are all observing the social distancing measures as advised by the local government.

Carmona Public Market observes social distancing.

On March 29, 2020, the local government of Carmona posted drone shots situation report of the Carmona Public Market to monitor the implementation of "Bayan, Mag-social distancing Lagi" which is a campaign by the local government on social distancing especially in establishments where citizens buy basic needs such as food and medicine.

Carmona LGU releases COVID-19 Updates as of today.

The local government of Carmona released the current updates of the coronavirus disease (COVID-19) in the municipality through a post on their official social media accounts on March 29, 2020. Currently, there are 36 persons under monitoring (PUMs) and 3 persons under investigation (PUIs) in which the local government is still waiting for their swab test examination results.

Soldiers Recycle Drum as "Hands-Free" Wash... from p. 2

his headquarters is planning to manufacture more wash stations as they try to "install at least one of this per QCP in our Area of Responsibility".

"We look at this crisis as an opportunity for us to contribute to the community through innovative endeavors."

ors, such as this, which will promote positive change upon our people's behavior and at the same time promoting our common advocacy of

saving the Earth by reducing garbage", said Burgos.

The military is willing to share the technology and hoping that it will be replicated in other areas, particularly the hands-free feature which will allow the users to sanitize their hands without any contact with the faucet.

Burgos explained that they have "designed the wash stations as hands-free to prevent users from reacquiring bacteria or virus immediately after washing their hands while ensuring that it will be at

an affordable and reasonable cost compared to sensor-controlled mechanisms used in high-end establishments."

Col Joel Aquino, Commander of 2ID's Service Support Battalion which developed the portable wash stations, said that the first version is 100% "soldier-made" and that "we are continuously looking for ways to improve the design without sacrificing the quality which is in line with our mandate to sustain the needs of those in the frontlines, soldiers and civilians alike".

Aquino ended his statement by saying that "innovation is one of the hallmarks of the Army" as he assured their stakeholders of his soldiers' "commitment, dedication and readiness to help our people regardless of the threat, be it terrorists or the unseen Corona Virus."

The military said that this will complement their continuing loudspeaker operations to support and amplify the call for people to heed the protocols set forth by the Department of Health.

Roselle Aquino

DOLE: workers to receive P5,000 aid amid Covid-19 Pandemic

The Department of Labor and Employment (DOLE) said it would provide a lump-sum cash aid amounting to P5,000 to formal workers affected by the coronavirus disease 2019 (COVID-19) pandemic.

The financial assis-

tance will be extended to workers employed in private establishments that have adopted flexible working arrangements or had to close temporarily because of the lockdown, Labor Secretary Silvestre Bello III said on March 25.

All workers nationwide, whether they are permanent, probation-

ary or contractual, are entitled to the cash aid. The assistance will be given 48 hours upon receipt of payroll from their employers.

Meanwhile, informal workers will be asked to work (of which they can do in their households) for 10 days and paid minimum wage.(gocavite)

#BiñanCares BIÑAN LABAN SA COVID-19

Sabay na nagtungo sina Mayor Arman at Vice Mayor GEL Alonte sa repacking area upang tiyakin na sapat pa ang bigas para sa mga residente ng lungsod ng Biñan. Samantala, namahagi din ng vitamins si Vice Mayor Gel Alonte sa staff at volunteers ng Mayor's Office.(BCIO)

March 25, matapos mamigay sa Malaban ay pinamunuan din nina Mayor Arman at Vice Mayor GEL Alonte ang distribusyon ng bigas sa Pulo, Brgy. Dela Paz. Pasasalamat naman ang tugon ng mga residente para sa Biñan LGU habang ang ilan ay nagwave ng kanilang rasyon.

March 24, nagsimula ng mamigay ng bigas sa Sona 1 at 2. Hindi madali ang pagbibigay ng house to house dahil marami ang looban na maraming kabahayan. 3 truck/elf na puno ng bigas and pinamigay. Gamit ang mga supermarket carts and hand cart para mabilis na mahatid sa mga bahay ang bigas. Bawal lumabas. Hindi mabibigyan ang mga taong nasa labas ng bahay. Ngayong araw ay magpapatuloy pa rin ng bigas sa mga natitirang sona.

Pinamunuan ni Mayor Arman Dimaguila ang isang pagpupulong kasama ang mga doktor mula sa ibat-ibang ospital, ilang oras bago i-anunsyo ang unang positive COVID-19 case sa lungsod. Dito ay tinalakay at napagkasunduan ang maging kilos ng mga ospital sa mga susunod pang araw. Naatasang maging testing hub ang Perpetual Help Medical Center samantalang sa Ospital ng Biñan naman dadalin ang mga PUI na kakikitaan ng mild symptoms

Isa sa malaking kinakaharap na problema ng ating Ospital at iba pang ospital sa ngayon, ay ang kakulangan sa gamit tulad ng sinusuot na PPE ng ating mga frontliners. Noong March 23, isang napakalaking biyaya ang pinahatid ni Vice Gel Alonte sa ating Ospital para sa ating mga staff.

Mahigpit na ipinatutupad ang physical distancing habang nakapila ang teaching and non-teaching personnel ng DepEd at TESDA upang tanggapin ang 10k Cash Incentive mula sa lokal na pamahalaan. Kasabay nito ay ang pamamahagi ng libreng alcohol mula kay Rep. Len Alonte

Volunteer health workers to receive compensation

The Philippine government is studying the provision of P1,500 daily wage, P500 hazard pay and P500 risk allowance for job order, contractual, volunteer and licensed nurses as well as other health service workers, Sen. Christopher "Bong" Go said Monday, March 30.

In a meeting with Budget Secretary Wendel Avisado and Health Secretary Francisco Duque III, Go said the officials agreed to the possibility of giving skilled volunteers compensation that is close to the amount being received by government health workers but computed on a daily rate.

"Qualified volunteers can receive hazard pay and risk allowance if they will be considered as job order and not just volunteers. We will use government funds to encourage volunteers and at the same time respect their profession," Go said.

"In this time of crisis, we need all the help to defeat the virus," he added.

Go thanked the role of the frontliners in this crisis. "We thank these frontliners for their public service. We commend all our frontliners — health workers, doctors and nurses — who sacrificed their lives to save their fellow Filipinos. You are the heroes in this war." (gocavite)

DTI'S SSF LIKHA FAB LAB MAKES FACE SHIELDS FOR FRONTLINE WORKERS

{MIA CORTEZ}

As the number of COVID-19 cases increases in the country, there is also an increasingly growing concern about the lack of personal protective equipment for our frontline work-

ers. Thus, the Labspace for Innovation, Knowledge-Honing and Application (LIKHA) Fab Lab of the Batangas State University, together with the Department of Trade and Industry

Region 4-A, is manufacturing face shields using 3D printed face bands and acetate films for our health workers as communities from makers and Fab Labs in and outside the Philippines are collaborating for this endeavor.

The LIKHA Fab Lab, established on December 27, 2018, is a Shared Service Facility funded by the DTI 4-A where business enterprises engaged in top industries in the region such as furniture-related processes and electronics, can converge with modelers/designers to create and develop models/designs, and make prototypes for mass production. It is a digital fabrication that enables collaboration and promotes transparency among designers and modelers aided by computer-controlled machines. Stored digital design using the sophisticated technology provides an array of services to help the whole furniture design and manufacturing team for

detailed designs, analysis, documentation, and fabrication.

"The supply of additional protective face shields is our way of solving the problem in the lack of PPE for our frontliners," said LIKHA Fab Lab Center Head Engr. Louie Villaverde.

According to Engr. Villaverde, they already donated 130 face shields to Batangas Medical Center. They are also planning to provide more by producing 30-40 face shields a day to different hospitals in Batangas, then later on to the hospitals in the CALABARZON region and to other frontline workers like the PNP.

The team is composed of BatStateU President Dr. Tirso Ronquillo, Vice-President for Research Development and Extension Services Engr. Albertson Amante, Head of LIKHA FabLab Engr. Louie Villaverde, 2D/3D Designer Jo Louis Valencia, and Machine Operator Arvin Cedrick Gutierrez.

The team is current-

ly working from home, operating at regular hours with 8 3D printers distributed in three locations. Through rapid prototyping, a machine can print a face shield within an hour and 42 minutes, allowing them to produce a maximum of 48 face shields a day with their 8 3D printers.

Engr. Villaverde noted that for now, they are in need of additional materials. Any donations or supplies of raw materials will be of great help.

"We are strongly supporting the effort and initiative of LIKHA in developing innovative and effective solutions to help in combatting COVID-19. As we, in the DTI, work alongside with LIKHA, we are urging everyone, especially in the CALABARZON region, to support their very important work," said DTI 4-A Director Marilou Q. Toledo.

"We are in the position to help others. Kahit maliit o malaki, ito ay

tulong pa rin," said Engr. Villaverde.

The Center for Technopreneurship and Innovation of the Batangas State University is accepting raw materials for fabrication of face shields:

- Acetate or PVC Sheets, Size A4
- Rubber Bands (natural)
- 3D Printer Filament (PLA-type from Ultimaker)
- ABS Sheet and Acetate for Vacuum Forming Machine

Here are some suppliers that you can contact directly as it will be difficult for the Fab Lab to accept monetary donations:

- Puzzlebox (3D Printer Supplier)
Mr. Clark Merano, 09663383175
- ES Print Media, Inc. (ABS and Acetate)
Mr. Ron Mariano, 09177129190

Donations may be sent to BatStateU Pablo Borbon Main II, Alangilan, Batangas City.

The Body Shop's Coastal Clean-up with Planet CORA

Conscious of the social and environmental problems the society of today exposes its inhabitants, The Body Shop has been one of the pioneers of sustainability. With that, it constantly seeks for new projects in order to help the world we live in.

In the Philippines, as well as the rest of the world, piles of our

mismanaged wastes wind up on our shores. Plastics and other non-biodegradable wastes may be low-cost and convenient but they stay long in our environment and may kill marine animals as they mistaken plastics for food. Single-used plastics such as plastic straws, plastic bottles and plastic bags are big contributors to pollution.

In line with this, The

Body Shop Philippines partnered with Planet CORA a non-profit organization dedicated in protecting the planet in gathering almost 200 volunteers for a Coastal Cleanup in Las Piñas Parañaque Critical Habitat Eco-Tourism Area (LPPCHEA). This cleanup helped in physically reducing wastes as well as creating awareness and inspiration for the

volunteers to instill change in their lifestyles.

A total of 2.29 tons of waste were collected in just a span of two hours wherein majority of the collected were plastic bottles.

The Ocean Cleanup with Planet CORA is just one of the many advocacies of The Body Shop Philippines.

About The Body Shop

The Body Shop was founded in 1976 by

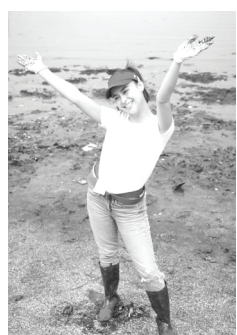

Dame Anita Roddick in Little Hampton, England. The beauty brand pioneered corporate activism and was built on a philosophy that business can be a force for good. With its brand expression, Beauty with Heart, the company continues to be focused on five core values: Against Animal Testing, Support Community Fair Trade, Activate Self Esteem, Defend Human

Rights and Protect The Planet.

All products are created using the finest ingredients sourced from the four corners of the globe, which are not tested on animals and are 100% vegetarian. The Body Shop has been in the Philippine market for eighteen years with over 55 strategically located stores nationwide. (KAREN CHRISTINE H. TIQUI)

Planet CORA founder Antoinette Taus and Cleanup volunteer Yassi Pressman.

Yassi Pressman has given her time and strength to help curb our waste problem.

Antoinette Taus with the little eco hero Dianelle Mikaella.

Joey Mead King, who has always been passionate in beating the alarming rise of plastic pollution, joined the group in this endeavor.

The Body Shop Philippines fighting to change the world one step at a time.
