**Plano sa pagpapatayo ng Division of City Schools Building.** Ipinirisinta kay City Mayor Lourdes S. Cataquiz ang lay-out o plano ng pagpapatayo ng Division of City Schools Building na ginawa nina Arch. Enrico Baluyot at Engr. Raphael Garcia Jr., June 1.

Saksi sina Former Mayor Calixto R. Cataquiz at District Supervisor Dr. Jovito Barcenas sa planong ito at malaki ang kanilang suporta na maituloy ang pagkakaroon ng Division office sa San Pedro. Ayon kay Dr. Barcenas malaki ang pagbabago kung ito ay matutuloy dahil magkakaroon ng pagtutulongan ng City Government at Department of Education para sa quality learning at matutukan ang sistema sa edukasyon ng San Pedro. Bukod dito, marami rin ang mabibigyan ng pagkakataon na makapagtrabaho. (PAIO/RMM/ES)

## Bacoor turns 10 container vans into Covid-19 isolation facilities

Janairo prepares to cut the ribbon during the blessing and opening of the two buildings of the Southern Tagalog Regional Hospital which will be used as community quarantine facilities for COVID 19 patients held on June 3, 2020 at the City of Bacoor, Cavite.

# Teachers to get P3,500 allowance this June

**P**ublic school teachers nationwide are set to receive P3,500 cash allowance this month to be used for "any teaching-related expenses" for the School Year (SY) 2020-2021, the Department of Education (DepEd) said on Monday, June 1.

DepEd Undersecretary for Finance Anna-Lyn Sevilla, in an online press conference, said the agency is eyeing to release the P3,500 one-time cash allowance per teacher in the second week of June.

Based on DepEd data as of April, 2020, it has 805,957 regular employees with teaching positions. If all of these employees with teaching positions are entitled to the P3,500 cash allowance, then DepEd will spend P2,620,849,500 for this one-time cash allowance.

Sevilla, however, did

not mention in the virtual presser if all these 805,957 regular employees with teaching positions will receive the cash allowance.

The cash allowance, Sevilla said, may be used by the teachers for any teaching-related expenses for the entire school year. "It will be up to them on how they're going to spend it," she said. "We will not ask for accounting or receipt [and] it will be given to them as cash," she added.

Formerly called the "chalk allowance," the cash allowance is usually given to public teachers before the school opening of every year. Sevilla said that for this year, DepEd will issue guidelines where a provision specifically citing the needs of teachers as they prepare for the implementation of the Learning Continuity Plan (LCP) will be covered by the cash allowance.

In a memorandum dated May 4, addressed to regional directors, schools division superintendents, heads of finance divisions/units and all others concerned, Sevilla also issued an advisory on the release and payment of the Fiscal Year (FY) 2020 Cash Allowance to teachers.

In the advisory, Sevilla said the cash allowance per classroom teacher will be released for the "purchase of teaching supplies and materials" for the SY 2020-2021.

"The P3,500 cash allowance shall be released to teachers in June 2020," she said in the memorandum. DepEd Regional Offices (ROs), she added, must ensure that the allotment shall be released to Schools Division Offices (SDOs) on or before May 15.

Sevilla noted that "it is expected that DepEd ROs and SDOs shall

have the cash allocation ready for the payment of the cash allowance" and that such is included in the 2nd Quarter Notice of Cash Allocation and Monthly Disbursement Plan by coordinating with its respective Department of Budget and Management regional offices.

The DepEd Central Office, Sevilla added, is also set to release "separate policy guidelines" on the grant of Cash Allowance to Teachers to "include teaching supplies and materials related to the preparations to the shift" to the

LCP as among the allowable uses of the cash allowance for teachers.

Sevilla had earlier said that DepEd is reviewing and realigning its own budget to ensure that emerging needs of its personnel, both teaching and non-teaching, as well as the learners will be addressed amid the COVID-19 pandemic.

As a response to COVID-19 crisis, DepEd has moved the school opening from June to August this coming school year. Formal school opening, as announced earlier, will be

on August 24.

Based on its LCP, there will be no face-to-face conduct of classes unless deemed safe by the authorities.

As such, DepEd will implement the blended/distance learning approach through provision of printed or digital modules delivered to the homes of the students, or picked up by their parents at designated places within coordinated schedules, online learning resources such as the DepEd Commons, and television or radio-based instruction. (MB/MHM/ML)

## DepEd, nilinaw na hindi requirement sa mga estudyante na magkaroon ng gadgets para sa distance learning

**T**iniyak ng Department of Education (DepEd) sa mga magulang na ang printed modules o learning materials ay ibibigay sa kanilang mga anak kasabay ng pagbukas ng klase sa Agosto.

Ito ang pagtitiyak ng kagawaran sa gitna ng pangamba ng mga magulang na mapipilitang bumili ng bagong gadgets para sa kanilang mga anak tulad ng laptops, tablets at smartphones para makalahok sa bagong paraan ng pagtuturo.

Ayon kay Education Undersecretary and Spokesperson Atty. Nepomuceno Malaluan, hindi kailangan ng mga magulang na bumili ng bagong gadgets dahil ipapadala nila sa kanilang mga bahay ang learning modules para sa kanilang mga anak.

Ang printed modules ay competency-specific materials sakop

ang ilang key elements ng isang lesson, mula sa motivation, instruction, at assessment.

Ang printed modules ay para sa mga estudyante na walang access sa internet at digital devices.

Bukod sa learning materials, bahagi rin ng blended at distance learning modalities na iniaalok ng DepEd ay mga online learning platforms at TV at radio-based instruction. (RMN/ML)

# ENCHANTED KINGDOM SUPPORTS DEPED'S BRIGADA ESKWELA 2020 VIRTUAL KICK-OFF

**D**e partment of Education's annual 'BrigadaEskwela' prior to official opening of classes on August 24 was atypical this year as they launched virtual program far from the usual school clean-up, classroom repaint, and repairs. DepEd's 'Bayanihan 2020' is focused on strengthen-

ing collaboration with different sectors and private stakeholders to ensure that quality education is not compromised amidst pandemic through a provision of opportunities under the department's Learning Continuity Plan.

Enchanted Kingdom President and CEO Mario O. Mamon, reaffirms its support to DepEd during the launch of

joint BrigadaEskwela and OplanBalikEskwela Program.

Mr. Mamon assures that the Department's call for support will be cropped up, "please consider EK your unique and alternative learning venue as we collectively seek various ways to effectively implement the basic education learning continuity plan of the department this coming

school year. We are still in uncertain and challenging times, but with the Filipino Bayanihan spirit, we shall move forward and overcome as one."

Enchanted Kingdom continuously maximizes the use of social media as a tool for learning. Through its fun and creative edutainment programs and activities, children can still acquire

academic learnings as taught in the classrooms, it also provides innovative sets of activities to help hone the child's artistic skills.

EK has been a staunch advocate of education. Over the years, the country's leading theme park conducts adopt-a-school initiative from different schools in CALABARZON region transforming every

classroom into an Enchanting Learning Zone.

BrigadaEskwela and OplanBalikEskwela program runs from June 1 to August 29, 2020.

# First LGU-initiated COVID-19 Testing Facility in Imus, Cavite inaugurated

**I**MUS CITY, Cavite --The city government inaugurated Thursday the City of Imus Molecular Laboratory, the first LGU initiated COVID-19 Testing Facility in the province.

This project is one of the city government's countermeasures in the fight against COVID-19 pandemic was made possible thru the support of the Sangguniang Panlungsod with the passing of the City Ordinance No. 4-145 s. 2020 on April 20, 2020 approving the immediate construction of the facility.

On May 8, 2020, representatives from the Department of Health (DOH), Research Institute for Tropical Medicine (RITM), and the World Health Organization

(WHO) visited the facility for its Stage 2 accreditation. Processing for the accreditation before Stage 3 would take more or less 45 days.

Likewise, the facility also passed the Proficiency Test conducted by the DOH and the RITM last May 29, 2020.

From this test, the capacity of a testing facility is measured to produce the correct results on the swab samples undergoing testing.

The Real Time-Polymerase Chain Reaction (RT-PCR) technique is used which is considered the 'Golden Stan-

dard' for testing.

Under the Public Health sector, the facility therefore will be managed by the City Health Office in partnership with the Ospital ng Imus.

The City Engineering Office supervised the completion of the construction of the two-sto-

ry building that was finished by the end of May.

On June 4, 2020 the City of Imus Molecular Laboratory was officially accredited as a COVID-19 Testing Facility and awarded with a License to Operate by the DOH.

"With this accredi-

tation, the city government could now conduct more tests, isolate the positive cases and patients will be given the proper attention and treatment until they fully recover from the disease. Eventually, the economy could start again safely with employees and workers going back to work cleared from the COVID-19 infection," Mayor Maliksi said.

The city government led by Mayor Emmanuel L. Maliksi, Vice-Mayor Ony Cantimbuhan along with 3rd district of Cavite Representative Alex L. Advincula, Cavite Mayors League President, Frederick A. Vida and Department of Health IV-A Regional Director Eduardo C. Janairo attended. (RF/PIA/JERRY GUINA)

## Mayor Aguinaldo, nagsalita ukol sa pagkakahuli ng balita sa nasawing Covid-19 patient

**N**agbigay ng pormal na pahayag si Kawit Mayor Angelo Aguinaldo nitong Sabado, ukol sa pagkakaantala sa pag-aanunsyo ng unang nasawing coronavirus disease (COVID-19) patient mula sa Kawit.

Ayon sa alkalde, "Dumating po sa ating tanggapan ang ulat tungkol sa pinakaunang

kaso ng pagkamatay bunsod ng COVID-19 sa ating bayan. Nagulat po tayo dahil base sa naging imbestigasyon at iniulat sa atin ng ating RHU, noong ika-11 ng Abril pa inatake ng alta-presyon ang pasyente kung kaya't dali-dali itong nagpa-konsulta sa isang ospital sa Las Pinas. Sa araw din pong iyon, ay dumaaan ito sa isang swab test sa parehong

ospital. Ngunit sa kasa-maang palad, pumanaw po ito 4:00am noong April 11, 2020."

"Lumabas ang resulta ng kanyang swab test noong April 17, 2020. Samakatuwid, noong isang buwan pa ho ang kasong ito, ngunit naipahatid po ito sa atin noong lamang May 11, 2020." dagdag pa niya.

Dahil rito ay humin-

gi ng kaukulang eklusyon si Mayor Aguinaldo hinggil sa pagkaka-delay ng balita. Agad umano sumulat ang Kawit Rural Health

Unit sa Provincial Epidemiological Surveillance Unit (PESU) dahil matagal ng nasa kanila ang resulta.

# Turnover Ceremony ng COVID-19 facility sa Biñan City, isinagawa

Photos from Congresswoman Len Alonte FB page

**I**sinagawa ang Turn Over Ceremony ng Alonte Sports Arena na ginawang Mega We Heal As One Center COVID-19 Facility sa Lungsod ng Biñan noong Mayo 28, 2020.

Pinangunahan ni Deputy Chief Implementer against COVID-19 Vince Dizon ang maikling palatuntunan kung saan nagkaroon ng walkthrough activity sa pasilidad na opisyal na bubuksan sa Hunyo 1, 2020.

Ayon kay Sec. Dizon, masasabi niya na ang naturang COVID-19 Facility ang pinakamagandang quarantine facility para sa kanya sa ngayon, "Una maraming

natutuhan sa mga quarantine site natin. Ang pinaka importante rito ay hinarangan ng DPWH iyong bleachers."

Aniya hindi gaya sa ibang mga quarantine facility ay may harang ang mga bleacher sa naturang pasilidad sa Biñan na makakatulong sa higit na pagkontrol sa espasyong gagalawan ng mga may sakit upang ma-expose ang mga ito at maka-expose pa sa ibang tao.

Ang naturang pasilidad ang kauna-unahang Mega We Heal As One Center sa Calabarzon at ika-sampu naman sa buong bansa kaya naman naghatid ng pasalamat si Sec. Dizon sa

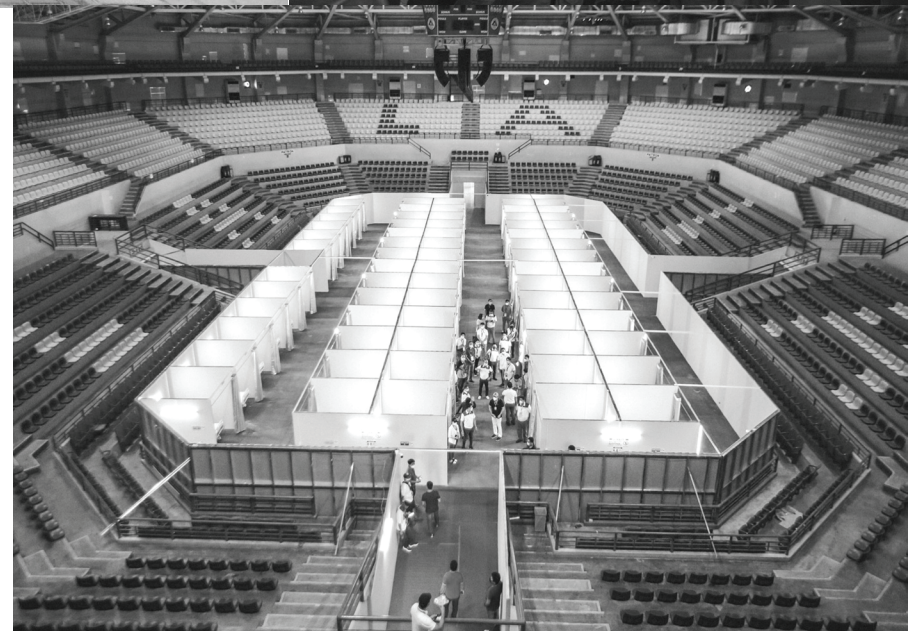

pamahalaang lungsod ng Biñan at sa Pamahalaang Panlalawigan ng Laguna.

Dito umano ilalagak ang ilang mga pasyenteng positibo sa COVID-19 na may mild symptoms o kaya ay asymptomatic.

Dagdag pa ni Deputy Chief Implementer, malaki ang kanyang pasasalamat sapagkat sa maigting na pagtutulongan ng pamahalaang lokal at nasyunal ay naisaayos ang pasilidad sa loob lamang ng isang linggo.

Ang naturang konstruksyon ay nagsimula noong nakaraang Mayo 18 at natapos naman nang Mayo 22, 2020.

Mayroong kabuuang 68 cubicles ang

pasilidad. Ganunpaman, pinayuhan ni Department of Health Region 4A o DOH 4A Assistant Regional Director Pau-

la Paz Sydiongco ang Department of Public Works and Highways o DPWH na magbawas ng mga cubicle sa gitnang bahagi nang sa gayon ay magkaroon ng mas malawak na galawan ang mga health care workers lalo na kung mayroong emergency.

Sinabi naman ni Mayor Arman Dimaguila na agad silang pumayag na gawing mega facility ang Alonte Sports Arena dahil naniniwala siya na ang problema ng buong bansa ay kainakailang kasama ang kanilang bayan sa pagbibigay ng solusyon.

Aniya dahil ito ay

pambansang suliranin, lahat dapat ng mga LGU ay makiisa at hindi dapat na magkaroon ng diskriminasyon sa mga maysakit kahit pa may ilang mga mamamayan na hindi paborable ang reaksiyon sa paggamit sa naturang pasilidad bilang quarantine facility.

Sa kasalukuyan, mayroong kabuuang 432 quarantine facilities sa iba't ibang istrategikong lugar sa rehiyon na may 5,056 na kama at mayroong kabuuang 759 na mga admitted na pasyente sa huling tala noong Mayo 26, 2020. (PIA/ML)

# Pormal nang binuksan ang Santa Rosa Community Isolation Unit

Por-mal nang binuksan n o o n g 01 Hunyo 2020, ang Santa Rosa Community Isolation Unit na siyang magsisilbing Temporary Treatment and Monitoring Facility for COVID-19 ng lungsod.

Aabot sa 41 katao ang inisyal na kayang tanggapin ng pasilidad na ito ngunit maaaring madagdagan pa ito sa ikalawang palapag ng nasabing gusali kung kakailanganin.

Ang pasilidad ay gagamitin para sa mga pasyenteng suspect at probable. Sa sandaling makumpirma itong COVID-19 case, ang pasyente ay ililipat sa ospital na naaayon sa kaso nito. Ang Santa Rosa Community Hospital ang referral hospital sa lungsod para sa mild cases, habang ang Complex of Hope ng The Medical City South Luzon at ang Qualimed ay mga referral hospital naman para sa moderate to severe cases.

Nakikipag-ugnayan ang Pamahalaang Lungsod sa PhilHealth para magamit ng mamamayan ang benepisyo ng PhilHealth ukol dito.

May dalawang (2) swab booth din na iniukol ang pamahalaang lungsod dito para gamitin sa pagkuha ng swab samples para sa PCR testing for COVID-19.

Ang pasilidad ay matatagpuan sa lumang gusali ng Canossa School sa tabi ng simbahan. Inihandog ito ng Parokya ng Santa Rosa de Lima para magamit sa pagresponde ng lungsod sa kritikal na panahong ito. Ang Leon C. Arcillas Foundation naman ang naglaan ng pondo para sa mga kagamitan, at ang Robig Builders ang sumagot ng konstruksyon.

Habang ang Pamahalaang Lungsod naman ang nagkaloob ng ilang equipment, gayundin ang mga personnel na siyang mamamahala sa pasilidad at mag-aalaga ng mga pasyente dito. Ang mga kawani mula sa City Health Office I at CHO II ang mag-aalaga sa mga pasyente, kasama ang mga volunteer nurse.

Ayon kay Mayor Arlene B. Arcillas, inihahanda at ginagawa lahat ng Pamahalaang Lungsod ang mga ito upang masigurong kayang tugunan ang pangangailangang medikal patungkol sa pandemya. Ngunit marin ang kaniyang panawagan na ugaliin pa rin ang pananatili sa bahay hangga't maaari, at kung kailangang lumabas ay magsuot ng face mask, palagiang maghugas ng kamay o mag-sanitize, at panatiliin ang physical distancing. **(MICHELLE MENDOZA)**
