SEN. PACQUIAO GETS 'CLEAN AIR CHAMPION' AWARD, URGES TREE PLANTING

"The city government opted to procure the tablets since it is more cost-effective than having to print modules, which also adds to the burden of both teachers and parents as they adjust to this new mode of learning," Mayor Arlene Arcillas said during the program held at the city's sports complex on November 11. MANILA – Boxing champion and Senator Emmanuel 'Manny' Pacquiao is urging the public to plant more trees as part of measures to save the environment.

"Magtulong-tulong tayo upang maging malinis ang ating kapaligiran. Ipagpatuloy natin ang pagiging plantita at pagiging plantita at plantito. Magtanim tayo ng mga puno sa halip na ubusin ang oras sa mga bisyo (let us help one another to have a clean environment. Let us continue to be plantitos and plantitas. Let us plant more trees instead of wasting our time on vices)," Pacquiao said after receiving the 'Clean Air Champion' award from environmental watchdog Clean Air Phil-

Bamboo Industry Development Council (PBIDC) also received the award for the Climate Change and Poverty Mitigation category.

Studies conducted by the Department of Environment and Natural Resources (DENR) show that more than 80 percent of air pollution in the urban areas in the country comes from the unabated emissions

from motor vehicles that form part of the greenhouse gases in our planet's atmosphere.

These gases cause global warming eventually leading to climate change.

Aside from climate change, toxic motor vehicle emissions also cause deadly cardiovascular and respiratory diseases in humans. (PNA)

Sen. Pacquiao gets 'clean air champion' award... from p. 1

ippines Movement, Inc. (CAPMI) in a ceremony at the Manila Hotel on Friday.

CAPMI said it chooses its yearly champion based on the merits done to advance their clean air advocacy and other environmental causes.

Past Clean Air awardees Davao City Mayor Sara Duterte and Department of Transportation Secretary Arthur Tugade sent video messages for Pacquiao.

As a lawmaker, Pacquiao pushed for the full implementation of Republic Act No. 8749 otherwise known as the Philippine Clean Air Act of 1999.

The law provides for a comprehensive air pollution control policy to protect and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature and at the same time, promote and protect the global envi-

ronment.

Pacquiao also encouraged the people to report to authorities even the simplest smoke-belching incidents that they may observe in their neighborhood.

Planting more trees, Pacquiao said, is the answer to the current problem of serious flooding in some parts of the country that may be caused by frequent typhoons hitting the country, just like the recent typhoons "Rolly" and "Ulysses" which did not only destroy properties but also claimed several lives most especially in the provinces of Bicol, Quezon, Cagayan, and Isabela.

Aside from preventing soil erosion because of the capacity of trees to hold soil and water, they also cause the air to be cleaner and fresher.

President Rodrigo Duterte earlier said what the country is experiencing right now

is the effect of climate change, calling on his Cabinet secretaries to act immediately on the problem to prevent the same from occurring in the future.

CAPMI president Dr. Leo Olarte strongly echoed and confirmed Duterte's statement.

"President Duterte is correct. Climate change involves abnormal warming of our planet's oceans. Typhoons are born in oceans and not on land. The warmer our oceans the stronger the global wind systems will be therefore super typhoons like Yolanda and Rolly arise. Anthropogenic or simply human-caused activities result in the unabated emissions of greenhouse gases that pollute the air we breathe. This leads to global warming that causes Climate Change," Olarte said.

Other awardees of the event are the Philippine Medical Association (PMA), Beta Sig-

ma Fraternity Medical Group (BSFMG), and the League of Data-privacy and Cyber-security Advocates of the Philippines, Inc. (LeaDCAP) for PMA Doctors on Boats and PMA DOCPH free online telemedicine docph.org.

For PMA Doctors on Boats, awardees are the DOTr -Philippine Coast Guard (PCG), Department of National Defense (DND)- Armed Forces of the Philippines (AFP), and the PNP Maritime Group.

(Sgd.) **ADELIZA H. MAGNO-GINGOYON**
Presiding Judge

AMENDED PETITION

Petitioner, through counsel and to this Honorable Court, most respectfully alleges that:

NATURE OF THE ACTION

1. This is an action for declaration of nullity of marriage between petitioner Edna Delos Reyes Viray and respondent Remigio C. Bautista III as null and void on the following ground of minority under Articles 2, 5 and 35 (1) of the Family Code of the Philippines;

PARTIES

2. Petitioner is a Filipino, of legal age, and a resident of Blk. 2 Lot 13 Good Family Homes, Anabu I-A, Imus City, Cavite, for more than six (6) months prior to the filing of this petition and where she may be served with legal processes of this Honorable Court.

3. Pursuant to A.M. No. 02-11-10-SC Re: Rule on Declaration of Absolute Nullity of Void Marriages and Annulment of Voidable Marriages, Petitioner attaches the following documents:

- a. Sworn certification of residency (with house location sketch) issued by the barangay;
- b. Sworn statement of counsel of record that he personally verified petitioner's residency;
- c. Utility bills in the name of the petitioner for at least six (6) months prior to the filing of this petition; and
- d. Transfer Certificate of Title No. T-1354692 registered in the name of the petitioner;

4. Respondent Remigio C. Bautista III, is of legal age, Filipino, and a resident of 2218 C. Vitas, Tondo, Manila where he may be served with summons and other court processes;

5. In the absence of a marriage settlement, absolute community governs all the parties' property relations. The parties, however, have not contributed to nor acquired any properties during their marriage;

FACTUAL ANTECEDENTS / CAUSE OF ACTION

6. Sometime in 1991, petitioner and respondent Remigio C. Bautista III were sweet-hearts at a very young age, eighteen (18) and seventeen (17) years of age, respectively;

7. On February 14, 1991, they attended a wedding of their common friend wherein they acted as witnesses;

8. Thereafter, and on the same day, they were encouraged by their friend who got married on that day, to also enter into what they called a "Secret Marriage";

9. Thus, petitioner and respondent entered into marriage on February 14, 1991 in a wedding in Manila solemnized by Reverend Angel B. Natividad;

10. As indicated in the marriage certificate, the age of Bautista at the time of his marriage with petitioner was twenty (20) years and date of birth as December 20, 1970, although in truth and in fact, he was only **seventeen (17) years and one (1) month and twenty-five (25) days** having been born on December 20, 1973, as proven by his Certificate of Live Birth issued by the Philippine Statistics Authority;

11. After the said "Secret Marriage", petitioner and respondent continued to live their own lives with their respective family and pursued their goals separately, considering that they did not expect that the marriage they entered was true and registered;

12. Thereafter, sometime in the year 2018, Petitioner was preparing for her application for being an immigrant in the United States of America hence she had to secure necessary papers for the purpose;

13. Upon securing a Certification from the PSA about her status, she surprisingly discovered that her marriage with respondent Remigio C. Bautista III was registered;

14. Petitioner desires that her marriage with respondent Remigio C. Bautista III be declared null and void from the beginning pursuant to the above mentioned provision of the Family Code of the Philippines;

ARGUMENTS

15. Articles 2 and 5 of the Family Code of the Philippines provide:

"Article 2 – No marriage shall be valid, unless these essential requisites are present:

- (1) Legal capacity of the contracting parties who must be a male and a female; and
- (2) xxx"

"Article 5 – Any male or female of the age of eighteen years or upwards not under any of the impediments mentioned in Article 37 and 38, may contract marriage"

16. Furthermore, Article 35 (1) of the Family Code of the Philippines provides:

"The following marriages shall be void from the beginning:

- (1) Those contracted by any party **below eighteen years of age** even with the consent of parents or guardians;
- (2) xxx"

17. The marriage between the Petitioner and Respondent Bautista is void from the beginning under the above-mentioned provisions.

18. Clearly, respondent has no legal capacity at the time of their marriage since respondent was only seventeen (17) years of age at that time, as reflected in his birth certificate;

19. The marriage being void, it may not be ratified, sanctioned or approved even by the subsequent cohabitation of the parties. So much so that in this case, the parties never lived together as husband and wife;

PRAYER

WHEREFORE, premises considered, it is most respectfully prayed of this Honorable Court that the instant petition be granted declaring as null and void from the beginning the marriage entered into by and between petitioner Edna Delos Reyes Viray and respondent Remigio C. Bautista III pursuant to Articles 2, 5 & 35 (1) of the Family Code of the Philippines, as amended.

Other remedies and reliefs are likewise prayed for of this Honorable Court.

It is said that Filipinos began decorating their homes with Christmas trees in the early 1900s, as influenced by our American colonizers. Earlier, however, Dr. Jose Rizal, our National Hero, introduced and brought the idea about the Christmas tree in his letter to his eldest sister when he was in Berlin in November 1886. He simply described how Christmas is celebrated in Germany and Spain, and how a forest pine tree decorated with glitter, lights, candies and fruit is placed inside the house where everyone celebrates Christmas around it. Since that time, the Christmas tree has found its place in many Filipino homes. Beyond the display and the ornaments, it has conveyed a message of love, unity, and joy in every member of the family. The iconic Christmas tree has also found its way as a creative centerpiece in SM's malls with artistic renditions in modern and traditional

themes. Some like the Christmas in Bloom at SM AuraPremier, and the Southacular Carnival Christmas at SM Southmall, highlight blooms and fair images,

respectively, instead of ornaments.

Others highlight the work of artisans in the regions – the lantern makers of Pampanga in SM City Clark's Parul

Kapampangan and indigenous fabrics from local communities – hablon, jusi, piña, abaca, and rattan – at SM City

Iloilo.

More than just beautiful centerpieces, these have become symbols of hope, love,

and joy during these most challenging times. These have become focal points where we can reconnect with our

traditional celebrations, and join the Filipino community in hoping for safer, brighter, and merrier times. **(KCHT)**

Christmas is in bloom at SM Aura Premier with its centerpiece signifying the first blossoms of spring as a symbol of hope. Designed in pastel and spring colors, the tree blooms with giant flowers and filled with crystalized Christmas balls in bronze, silver, and white. The tree lights up with fan shaped LED lights, and is accented by 2 giant reindeer beautifully dressed up with floral horns.

SM Southmall's Southacular Carnival Christmas features a 34-foot tree, life size bears, and a gigantic Ferris wheel! Carnival snacks like cotton candy and popcorn, and a myriad of colorful neon lights celebrate the spirit of the season.

SM City Sucat's A Magical Christmas Tale centerpiece features a 20-foot castle themed Christmas tree, which glows with pages from a storybook, and has well-loved fairy tale characters on each side.

Everything is Mega and Bright in SM Megamall's dazzling Christmas tree with bright lights and sparkling ornaments. The gold and fuchsia palette is carried on to the giant Santa Chair with stars upholstered in pink satin, and a telephone booth accented with stars and pink fairy lights

Embellished with crystals and twinkling lights, SM Lanang Premier's 57-foot Christmas tree glows in classic Christmas colors of red, white, and gold. This festive holiday centerpiece symbolizes and overflow of hope and cheer, inspiring shoppers to give joy and celebrate life amid challenging times.

SM City Clark's Parul Kapampangan centerpiece is a tribute to Pampanga's lantern making industry. The dazzling 45-foot tree with 1,680 bulbs and spinning lights is proudly designed and assembled by Kapampangan parol makers

Inaalam naman ang pagkakakilanlan sa mga suspek na sakay ng isang kulay pula na Toyota Inova na tumakas matapos ang insidente.

Sa ulat ni Corporal Jessie Villanueva ng Imus City Police Station, na minamaneho ng biktima ang kanyang Toyota For-

tuner na may plakang AA05161 kasama ang kanyang asawa't anak at papasok umano sila sa trabaho pero pag-sapit sa panulukan ng Lakersfield Subd., at Alapan Road, Brgy Alapan 1-B ng naturang Lungsod nang pagbabarilin si Ilagan gamit ang isang M16 rifle ng mga suspek na sakay ng isang kulay pula na Toyota Inova dakong alas-6:00 kahapon ng umaga.

Matapos ang pamamaril ay mabilis na pinasibad ng mga suspek ang sasakyan palayo.

Kaagad na na-

matay ang opisyal na si PCapt Ilqgan dahil sa tama ng bala sa kanyang katawan habang sa kanang kamay tinamaan ang kanyang asawa at kaliwang hita naman ang kanyang estudyanteng anak.

Ayon kay Villanueva, hindi umano rehistrado ang saksyang ginamit ng mga suspek base sa kanilang beripikasyon.

Inaalam pa ng Cavite Police kung may kinalaman sa trabaho o personal ang motibosa pamamaril.
