pahayag ng alkalde sa panayam sa kanya ng UNTV News.

"Karapatan ng bawat isa kung anong gusto niyang gawin sa katawan niya at naiintindihan namin 'yon bilang opisyales. Pero, tinuturan din namin kayo na pag aralan kung anong makakabuti sa inyo at huwag lang madadaan kung ano ang takot na idinudulot ng ibang tao na wala namang dahilan," dagdag nito.

Ito ay kasunod ng mga kumakalat na impormasyon na hindi epektibo ang Sinovac vaccine na nagdudulot ng agam-agam sa publiko.

Ayon pa sa alkalde na epektibo ang Sinovac vaccine dahil ginawa ito sa tradisyunal na paraan.

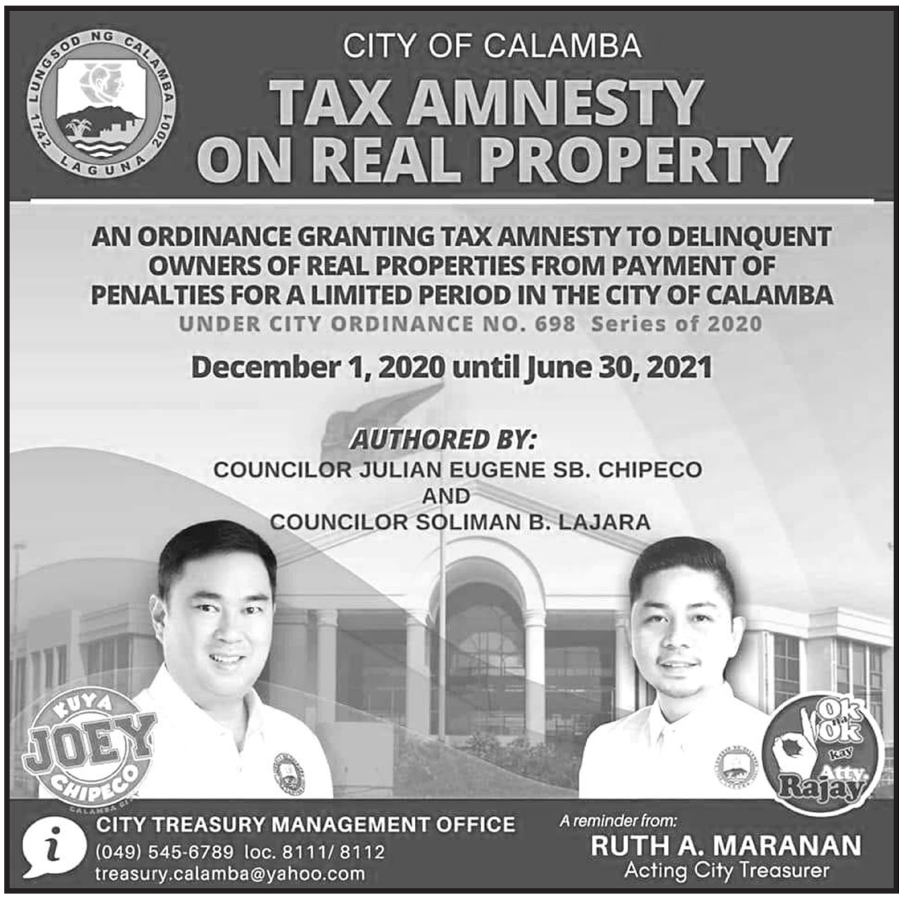
"Ang Sinovac, bagaman gawa sa China, they use the traditional method of manufacturing the vaccines, which is killing the virus itself at ini-introduce sa katawan natin so that our immune system can identify it," pahayag ni Chipeco.

"Ang personal na opinyon ko, na wala namang masamang epekto yon kasi yung ginagawang sistema at proseso ay ginawa na rin sa proseso na matagal na panahon na nating ginagawa,"

Kung papayagan umano ng national government ay mauunang magpapabakuna si Mayor Chipeco upang maalis ang agam-agam ng mga nasasakupan nito sa Sinovac vaccine.

Sa ngayon ay hinihintay na lamang ng pamahalaang lungsod ng Calamba ang pagdating ng bakuna upang masimulan na ang vaccination rollout sa lungsod.

Una nang naglaan noong Enero ng inisyal na P200-milyon ang pamahalaang lungsod para sa Covid-19 vaccination program nito na gagamitin sa pagbili ng bakuna, pagsasaayos ng storage facilities, transportasyon ng mga bakuna at iba pang kailanganin sa paglulunsad ng malawakang pagbabakuna. **(MARRA VILLEGAS)**



COVID-19 VACCINATION ROLLOUT IN CAVITE

The province of Cavite started its COVID-19 vaccination rollout on March 10, 2021 at the Gen. Emilio Aguinaldo Memorial Hospital (GEAMH) in Trece Martires City. GEAMH is one of the official vaccination sites in the province identified by the Department of Health-Regional Office, among others were De La Salle University Medical Center, Southern Tagalog Regional Hospital, Ospital ng Imus and Tagaytay International Convention Center.

Three hundred eighty-nine Sinovac vaccines and ninety-one Astra Zeneca vaccines were delivered on March 9, 2021 which were used in the vaccination rollout scheduled until March 12. Among the first vaccinees were Dr. Nonie John Dalisay, Officer-in-Charge of the Provincial Health Office, Dr. Romulo Lua, chief of hospitals, Dr. Aldous Angeles, satellite hospitals chief and Dr. Regina B. Salazar, head-GEAMH Dental Department. They thanked the government for providing vaccines for the medical front liners and encouraged the public to be vaccinated for them to be protected against the virus as well as their families and other people. Around 150 vaccinees is targeted on the first day of vaccination.

The process started at the waiting area where candidates for vaccination took the cue to proceed to the next step at the registration area to fill up and check necessary requirements. They then

COVID-19 vaccinations a requirement for returning to work.

"That cannot be made mandatory. It's up to the employee if they want to get vaccinated or not," Bello said in Filipino, adding that the policy that is supposedly cropping up in some companies is discriminatory

He said that businesses that would impose a "no vaccination, no work" policy could face an administrative penalty since there is "no legal basis" for such a requirement.

"It will be considered as illegal suspension or illegal dismissal, whatever action the employer would do if the employee does not get vaccinated," he said.

According to a Business World report citing a survey by global advisory firm Willis Towers Watson and the People Management Association of the Philippines, a majority of companies are already moving to procure vaccines for their workers. The survey of 250 human resource practitioners found that "as many as 68% of employers said that they would fully subsidize the cost of vaccines, while 11% said they would partially pay for the doses."

'Emerging' policy

Associated Labor Unions, the largest group of labor unions in the country, sounded the alarm about what it described as an "emerging" policy of some businesses requiring their workers to get vaccinated against COVID-19 before they are allowed to return to work.

ALU said that some factory workers have complained to them about how their superiors have told them that they would not be allowed to report to work unless they participate in the company-sponsored coronavirus vaccination drive.

It added that other business owners have given instructions to supervisors and managers to deem employees who do not get vaccinated against COVID-19 as unfit to work.

It also said that another group of employees have been told that they would need to present a certification to prove that they have received a COVID-19 jab before they are allowed to work.

Meanwhile, Iloilo City is mulling to mandate all employees in the city to get vaccinated against COVID-19 before they are allowed to work.

While the government targets to inoculate 60 million to 70 million people in the hopes of achieving herd immunity, it is not making COVID-19 vaccines mandatory.

GABAY AT BUHAY

Bishop ERIC SANTOS

Anu ba ang mahalaga: Pera o Prinsipyo?

Isang mapapagpalang araw po sa lahat ng walang sawang nag-aabang ating sulatin dito sa inyong paboritong dyaryo.

Ang ating binigyan usapin sa araw na ito ay napapanahon lalo't higit bagaman halos isang taon pa ang bibilingin ay damang dama ng nakakarami ang takbo ng politika sa ating bansa. Halos karamihan sa mga nagnanasang maupo sa isang posisyon sa lokal man o national ay kanya kanya ng paghahanda at syempre kanya kanyang labasan ng kanilang Pondo. Kamusta naman si Juan Dela Cruz, ang pangalang lumalarawan sa isang maralitang Pilipino, na nagsasabi na bukas na ang mga mata sa katotohanan kaya hindi na sila mabibili, ngunit gaanong katotoo ang bagay na Ito?

Ngayon pa lang, kung nangangarap kang lumaban para sa posisyon nais mo, siguro marapat na huwag mo munang magdiklara at tiyak na lulupugin Ka ng mga nanghihingi ng tulong na halos ay linggo-linggo mo ng nakikita pero kung saan may abutan ay naroon sila. At sa si TraPo (Traditional Politicians) tuwang Tuwa na wari mong naglilingkod, pero ang totoo, hangad lang manalo at di mo na naramdaman kapag nanalo na.

Ito na marahil ang takbo ng Politika sa bansa natin. Kaya tayong naghahangad ng sinasabing pagbabago, marapat itong simulan sa ating sarili. Tandaan nating sa bawat sentimong tinatanggap natin sa kamay ng isang Politiko, ang mga anak at apo ang magdurusa.

Wag tayong papadala sa laki ng halaga na binibigay ng isang Politiko, bagkus turuan natin ang sariling maging mapanuri, kung ang taong Ito na humihingi ng inyong boto at karapat-dapat, totoo bang naglilingkod at hindi tayo mabibili ng konting halaga na nauubos din, at maghihirap kung magkakamali tayo sa pipiliin nating kandidato sa susunod na taon.

Minsan pa nawa'y naging GABAY ninyo ako sa inyong mga BUHAY patungo sa isang maglalakbay na tama at nararapat. At samahan tayo ng ating Diyos na siyang totoong GABAY AT BUHAY.

HEALTHCARE WORKERS SA LUNGSOD NG BACOOR...

TAS BACOOR! Bacoor Yes sa Bakuna tayo sa ating lungsod! " dagdag ni Mayor Lani.

Ayon naman kay Cong Strike Revilla,"Mapalad tayo na nandito na sa Bacoor ang bakuna. Alam naman natin na may kakapusan ang supply ng bakuna sa buong bansa kaya mas werteng nakasama ang ating mga health care workers sa mga unang mababakunahan. Kaya naman, gagawin natin ang lahat para magpatuloy ang ating vaccination rollout."

Matapos ang unang batch ng vaccination rollout sa health care workers sa STRH at CHO ngayong araw ay masusundan ito ng susunod na batch sa Biyernes. At sa mga susunod na linggo ay magpapatuloy ang serye ng mga trainings and seminars sa ating mga personnel na involved sa rollout. Gaganapin din ang simulation sa dalawang Mega Vaccine Hubs sa Bacoor, isa sa Bacoor Elementary School sa Brgy. Alima at Bacoor Coliseum sa Molino 3.

Inaasahang matapos na mabakunahan ang 2,200 health care workers sa mabilis na panahon upang makapagsimula na ding makapagbakuna sa iba pang frontliners ng Bacoor.

Nagtapos ang programa na may panawagan sa lahat ng mga Bacooreño na makiisa at makilahok sa inilulunsad nating Covid-19 Vaccine Rollout hanggang sa tuluyang mapuksa ang Covid-19. LIGTAS BACOOR! Bacoor Yes sa Bakuna!

The Bureau of Fire Protection led by its dynamic and dedicated Fire Chief, FDIR JOSE S. EMBANG, Jr. successfully held the kickoff ceremonies of this year's Fire Prevention Month with the theme, "SA PAG IWAS SA SUNOG, HINDI KA NAG-IISA". The BFP NATIONAL HEADQUARTERS, under its Public Information Services headed by its chief FSUPT ANNALEE ATIENZA aired a very special FPM March 01 episode of the bureau's own online TV show, BFP LIVE! BFP Directorate for Enforcement chief FSSUPT ROMEO MALTEZO, meanwhile unearthed the most promising BFP community and multi-sectoral based fire safety and prevention program dubbed as "KAI-SA".

Another highlight of the kickoff was BFP-SM MOA signing on bolstering ties over wide arrays of means to promote fire safety and prevention matters.

Another big bang during the event was the sealing of donation and commissioning of a donated K9 trained dog of a private entity to BFP NCR, thereafter, turned over by the regional office to BFP NHQ for the elite trained dog to be commissioned as official and first BFP K9 force. The donning was officiated by BFP-NCR Regional Director FCSUPT GILBERT DOLOT. K9 also had a skill demonstration which made all expectectators applaud in pride and awe. The K9 unit donation to the BFP materialized through the initiatives and efforts of BFP TAGUIG CITY FIRE DIRECTOR SUPT BERNARD ROSETE.

On the other hand, simultaneous motorcades and programs were unleashed by different BFP regional, provincial and local fire offices nationwide to push the start button of this year's Fire Prevention Month observance.

By virtue of Proclamation No. 115-A, signed by then President Ferdinand E. Marcos, and Proclamation No. 360 in 1986, the month of March was declared as “Fire Prevention Month".
