Namahagi ang Pamahalaang Lungsod ng Bacoor sa pangunguna ni Mayor Lani Revilla katuwang ang DOLE at ang ating mga barangay captains ng pangkabuhayan showcase para sa ating Kabataang Bacooreño at kanilang mga pamilya upang makatulong sa kanilang pagkamtan ng magandang kinabukasan.

CALAMBA CITY FINANCIAL ASSISTANCE PARA SA GAMOT NG SENIOR CITIZENS

Ayon kay Mayor Timmy Chipeco, "Ako'y naniniwala na kailangan nating pangalagaan ang kapakanan ng senior citizens lalo na sa panahong ito ng pandemya. Kamakailan po ay namahagi ang lokal na pamahalaan ng Calamba City ng tulong pinansyal para sa kanilang pangangailangang pang-medikal katulad ng gamot. Ang mga senior citizens po ay dapat nating bigyang halaga at alagaan katulad ng pag-aaruga nila sa atin noong tayo'y bata pa. Makakaasa po kayo na patuloy ang aming suporta sa mga kababayang senior citizens at dalangin ko na sana'y lagi kayong nasa mabuting kalagayan."(MARRA VILLEGAS)

Livelihood program ni Coun. Joey Chipeco nagsimula ng mag-ani ng tagumpay

Ayon sa facebook post ni Coun. Joey Chipeco, "Isa sa mga paraan upang lubusan tayong maka-AHON sa hirap na dala ng pandemya ay ang pagkakaroon ng matibay na programang pangkabuhayan para sa mga Calambeño. Isa po ang grupong BICOLAMBA sa mga Calambeñong ating tinulungan para

sa kanilang Economic Recovery program sa ilalim ng AHON CALAMBA Economic Recovery Program kasama ang CLDD sa pangunguna ni Mr. Phillip Bautista. Sila po ay dumalaw sa atin kamakailan lamang upang ipagbigay alam na nagbubunga na ang Duck Meat Production na pangunahing pangkabuhayan ng

kanilang grupo. Ako po'y mapalad na ipinagluto nila ng ulam gamit ang sariling harvest na bibe, tanda ng kanilang pasalamat sa atin at sa ating programa. You made me proud BICOLAMBA! Kayo ay patunay na sa pagpupursige at pagtiyaga, mayroong ating ibong bibeng katapat."

PH, JICA Ink Agreement to Advance Disaster Mitigation in Coastal Areas

The Department of Public Works and Highways (DPWH) has partnered anew with the Japan International Cooperation Agency (JICA) to enable the Philippines increase its capacity of coping with climate change through engineering ap-

proach.

DPWH Secretary Roger G. Mercado and JICA Philippines Office Chief Representative Eigo Azukizawa signed on Wednesday, February 16, 2022 the Record of Discussions for the Capacity Development in Coastal Engineering for Disaster Resiliency

Project, focusing on resilience of coastal communities against disasters.

The signing event held at DPWH Central Office was also participated by DPWH Undersecretary for Unified Project Management Office (UPMO) Operations Emil K. Sadain; UPMO

Face-to-face classes sa lahat ng antas, posible ngayong Agosto-Galvez

Si inabi ni National Action Plan on COVID-19 chief implementer Carlito Galvez nitong nakaraang Martes, Pebrero 15, 2022, na maaaring maging posible ang pagsasagawa ng f2f classes sa lahat ng antas pagsapit ng buwan ng Agosto.

"As long as the health protocols are followed, social distance

spacing, and the ventilation in classrooms are fixed ahead, the classes may start in the new normal," pahayag ni Galvez.

Ayon umano sa ulat ni Education Secretary Leonor Briones, wala pang naitatalang kaso ng hawahan ng COVID-19 sa mga paaralang lumahok sa pilot implementation ng face-to-face classes kamakailan.

Paglilinaw din ni Galvez, sa mahigit 10,000 batang naturukan ng bakuna kontra COVID-19, apat lamang umano ang nagpakita ng "very, very minor side effects."

Pagsapit ng buwan ng Agosto, target umano ng pamahalaan na mabakunahan ang 100% ng mga mag-aaral, gayundin ang mga teaching at non-teaching staff sa ilalim ng DepEd.

Flood Control Management Cluster Project Director Ramon Arriola III; Project Manager Dolores Hipolito, and Mr. Masanaki Yamagiuchi and Ms. Chihiro Mototani of JICA.

In his message, Secretary Mercado thanked the Government of Japan thru JICA for its sustained support to the Philippines in developing not just the quality of road and transport infrastructure but also in making communities in the archipelago more inclusive, resilient, and sustainable.

Earlier, Secretary Mercado and Undersecretary Sadain participated at the 12th meeting thru teleconference format of the Japan-Philippines High Level Joint Committee on Infrastructure Development and Economic Cooperation and reported the status of some big-ticket projects under JICA financing.

The said projects are the Dalton Pass East Alignment Project, Central Mindanao Highway Project - Cagayan de Oro-Malaybalay Section, Parañaque Spillway/Tunnel Project, Davao City Flood Control and Drainage Project, and Urgent Bridges Construction Project for Ru-

ral Development Phase 2.

According to Undersecretary Sadain, Chief Implementer of Flagship Projects under Build Build Build Program, Japan-supported big-ticket projects have played a crucial role in shaping and bolstering the Philippine infrastructure landscape and the new cooperation between JICA and DPWH on coastal infrastructure is expected to help effectively meet the challenges of climate change and build safe, resilient, and sustainable communities.

The Project for the Capacity Development in Coastal Engineering for Disaster Resiliency in DPWH has a project duration of five (5) years from the date of 1st dispatch of JICA Experts in July 2021.

The project involves a two-step planning method: 1) Basic Planning Survey where implementation structures are determined, and 2) Detailed Planning Survey where detailed plan

is formulated to start the core activities of the project.

Core activities of the project involve: lectures, case studies, development of guidelines, implementation of at least three (3) pilot projects, establishment of human resources development program on coastal engineering and the creation of roadmap.

Case studies will be implemented 3-4 times a year, wherein 2 cases are examined in each time.

On the otherhand, the Project Road Map, focuses on providing directions on better coastline management thru actual examples observed in the Philippines, such as improvement of existing laws and regulations, land use, setting of clear demarcation/responsibility of related organizations, law enforcement, public awareness/education and technical knowledge dissemination/training of technical staff.

It's Love 2.0 with Cadbury's special emoji and cool stickers in its "Say it From the Heart" bundle.

It is said that the Cadbury group introduced a new Valentine's Day tradition when candy maker Richard Cadbury was inspired to package chocolates in heart shaped boxes decorated with rosebuds and cupids, which were popular symbols of romance among the Victorians. These boxes had locks where one could later store mentoslike love letters and small gifts.

The tradition lives on today at The SM Store Snack Exchange with sweet indulgences from some of the world's well-loved chocolate brands. Cadbury's "Say it From the Heart" gift boxes come with heartfull stickers of creative and personalized emojis and #kilig lines.

Swiss chocolatier Toblerone, on the other hand, says it sweetly 2.0 with a heart shaped gift box and its iconic triangle chocolates with personalized sleeves with sweet poetry. No wonder, it has retained its popularity for the past 100 years.

Together, these two well-loved chocolate brands bring the sweetest deals at The SM Store

Snack Exchange. Every P1,000 single-receipt purchase of Toblerone and Cadbury items, entitles one to a free 100g Toblerone Chocolate until February 28.

EXTRA-JUDICIAL SETTLEMENT OF ESTATE

NOTICE is hereby given that the estate of the late SOLEDAD M. DE CASTRO, who died intestate on March 11, 2001 in Manila, left two (2) properties, a parcel of land with Lot 22 Blk. 6 situated in Golden Meadows, San Antonio, Biñan, Laguna covered by Transfer Certificate of Title No. T-473325 with an area of 126 square meters; a parcel of land with Blk. 2 Lot 20 situated in Golden Meadows, San Antonio, Biñan, Laguna covered by Transfer Certificate of Title No. T-473326 with an area of 126 square meters, were Extra-Judicially Settled among the legal heirs of the said deceased in the said instrument, executed before Notary Public Atty. Edward Vange P. Arriba, under Doc. No. 373, Page No. 76, Book No. III, Series of 2022.

DOST kicks off establishment of the first MEDOWW Treatment System in CALABARZON

The Department of Science and Technology (DOST) - CALABARZON kicked off the establishment of the Modular Ecology-Friendly Domestic Wastewater (MEDOWW) Treatment System in Anilao, Mabini, Batangas, first in CALABARZON region, Feb. 09.

The establishment of the MEDOWW Treatment system aims to improve the wastewater management of three

major sites in Anilao, Mabini, Batangas --- the Municipal Tourism Office, Anilao Port's Public Comfort Room, and Anilao Market. Since Mabini, Batangas is known for its encouraging tourism because of its natural wonders, which are part of the world's center of the center of marine shorefish biodiversity, a large influx of tourists is recorded at any time of the year. The popular Brgy. Anilao of Mabini, Batangas hosts

the greatest number of tourists every year and greater human activities are concentrated in the area. To no surprise, all the human activities in the barangay of Anilao generate solid and liquid wastes which pose a serious threat to its rich marine waters.

The adoption of MEDOWW Treatment System technology is one of DOST-CALABARZON's answers to the call of the Local Government Unit of Mabini (LGU-Ma-

bini) for science and technology-based solutions to mitigate the environmental pollution brought about by untreated wastewater. The technology uses a flexible design for domestic wastewater treatment and establishes an effective combination of anaerobic and aerobic mechanisms. It operates with the application of Vigorminorganominerals which hastens the decomposition of harmful bacteria that

lodge in septic tanks. The combined effect of MEDOWW design and application of vigormin is already proven to improve the characteristics of community domestic wastewater.

What makes MEDOWW more relevant to Anilao, Mabini, Batangas is that it reduces health risks due to sanitation problems, ineffective septic system, drainage system failure, and water contamination. It also promotes responsible water utilization, which is significant to a world-known dive site like Anilao, Mabini. More than that, the MEDOWW technology ensures that effluents meet the requirements of the DENR Administrative Order (DAO) 2016-08 known as the Water Quality Guidelines and General Effluent Standards of 2016.

Both the MEDOWW Treatment System and Vigorminorganominerals are technologies developed by Dr. Merlin Palencia, a Chemical Engineering Professor at Adamson University, with funding from the Philippine Council for Industry, Energy and Emerging Technology Research and Development (DOST-PCIEERD). The adoption of this technology for Mabini, Batangas was funded by DOST-CALABARZON and the spinoff company of Adamson University, Envigor Natural Products Manufacturing Inc., facilitates its construction based on the specifications and design requirements of Dr. Palencia.

The said project sites in Anilao will serve as the benchmark facilities in the Municipal-

Yatco still a Congressional candidate for Binan City's Lone District

Binan City - Michael Gerard Thomas Ponce Yatco, a congressional candidate for Binan City's Lone District, debunked the rumors circulating in the City that he has been disqualified by Comelec and is no longer a candidate.

On January 26, 2022, Comelec's First

Division granted the Petition to Cancel Yatco's Certificate of Candidacy. Based on the Resolution, Yatco is not a registered voter of Biñan City contrary to what he indicated in his filed Certificate of Candidacy.

On January 31, 2022, a Motion for Reconsideration was filed by Yatco before the Commission on Elections En Banc to stop

the implementation of the First Division's Decision.

In a press conference, Yatco said that the people of Binan City are now confused and is in a quandary as to whether he is still a Congressional Candidate.

Yatco assured the people of Biñan City that the Comelec First Division's Decision is not yet final and executory. In fact, in the unlikely event his Motion for Reconsideration is denied by the En Banc, he still has the legal right to raise the matter before the Supreme Court. Yatco appealed to the people not to believe the false and misleading information deliberately being circulated by his political adversaries.

He reasoned out that the Comelec's

First Division may have missed the fact that the Comelec's National Central File Division - Election Records and Statistics Department issued a Certification declaring that he was already a registered voter of Biñan City, Laguna as early as September 2, 2021 which was a month before he filed his COC on October 06, 2021.

Yatco emphasized that his name was already printed in the Official Ballot. Finally, Yatco also cited the fact that Atty. James Jimenez, spokesman of the Comelec himself said that he can still appeal the disqualification and unless a final and executor decision is issued, he is still a bona fide candidate.

SANTA ROSA COLLABORATES WITH SM FOR A SAFE AND FUN VAXX FUN FOR KIDS!

Laguna – Santa Rosa City government officially rolled out the jabs for children aged 5 to 11 years old on Monday, February 14th Valentine's Day.

Santa Rosa Mayor Arlene Arcillas said this is part of the efforts to reduce fear or vaccine hesitancy among the age

group. "Here in Santa Rosa we strongly believe that vaccination is our strongest weapon to fight the virus. We want to give our youth the safest option and we have to protect them to be able to do this," Arcillas added.

"To complement the pediatric vaccination

initiative, the city generously added vaccination sites at SM Malls in Laguna which specifically turned to a children friendly venue. We have installed kid-friendly waiting areas where they can stay before and after getting vaccinated. Vaccinees are greeted by SM Cares bears and delighted with different attractions. As a simple token for their bravery, every minor vaccinee is given a loot bag after receiving their shot," Ms. Niña Wong, Public Rela-

tions Manager said. Ms. Wong also stressed that safety protocols were observed during the vaccination process at all times.

As of Monday, the number of children belonging to the 5 to 11 age group who were pre-registered for their Covid-19 shots through Santa Rosa LGU efforts reached 12,000

To date, SM has successfully administered 8.5M jabs, on record as the most number of Filipinos vaccinated by a

single company in the private sector, under its multi-mall vaccination program. With its long-standing commitment to ensuring the health and safety of the public, SM continues to provide not just a #SafeMalling experience to shoppers, but also a convenient, accessible, and FUN venue where their communities can get vaccinated.

The SM City Santa Rosa vaccination site targets to vaccinate around 500-1000 children daily.

And as Laguna Province shifts to Alert Level 2 Children below 12 are now allowed to go malling provided they are accompanied by a fully vaccinated adult.

Biñan City unveils new housing program

No more informal settlers in Biñan City in the next few years.

That was the pledge of City Mayor Arman Dimaguila as he unveils yet another infrastructure program of the city government – this time, aiming to solve the problem of informal settlers in the city.

Dimaguila led the inspection tour of the new Villa Agila Housing Project of the city government during a "project tour" conducted with Vice Mayor Gel Alonte, members of the "LABarkada" ticket for the May 9 elections, city officials, and members of the media last Friday (February 11).

In an impromptu speech delivered by Dimaguila during the tour, he explained that the new housing program, located in Barangay San Antonio, will initially benefit those living

inside the Biñan Public Cemetery.

"Para maisaayos na po natin ang sementeryo, dito na po natin sila ililipat," he said.

The Villa Agila Housing Project is a joint project

of the city government of Biñan and the Social Housing Finance Corporation (SHFC), a government agency that provides financing for low-cost social housing programs in the Philip-

pines.

Aside from the Villa Agila, other infrastructure works visited during the "project tour" included the new Polytechnic University of the Philippines (PUP) Biñan Cam-

pus in Barangay Zapote; the new Ospital ng Biñan building in Barangay Canlalay; the new fire station at Barangays San Antonio and San Vicente, the new Binan City Jail and Esplanade complex

in Barangay Dela Paz; the new Canlalay Barangay Hall, and the Biñan City Science and Technology High School campus in Barangay San Francisco.
