PHILHEALTH, TATANGGAP NG P80-B SUBSIDIYA SA ILALIM NG 2022 NAT'L BUDGET

Ang Philippine Health Insurance Corp. (PhilHealth) ay tatanggap ng halos P80 bilyong subsidiya na inilaan sa ilalim ng panukalang P5.02-trillion 2022 national budget, ayon sa isang mamabatas noong Martes.

Sa isang pahayag, sinabi ni Anakalugan Party-list Rep Mike Defensor na ang PhilHealth subsidy sa susunod na taon na nagkakahalaga ng P79,990,995,000 ay P8.368 bilyon na mas mataas kaysa sa PHP71.353-bilyong

subsidy ngayong taong 2021.

Aniya, ang pagtahas sa taxpayer subsidy ay magbibigay ng mas maraming insurance coverage para sa mga 'vulnerable sectors', na bahagi rin ng mandato ng universal health care program.

The money is for the insurance coverage of millions of so-called indirect contributors, including indigent citizens, the elderly, and unemployed persons with disability," ani Defensor.

CALABARZON GENERALLY PEACEFUL IN THE PAST 6 MONTHS

Ca m p
B G e n
Vicente

Lim, Calamba City – Calabarzon Regional Director Brig Gen Eliseo DC Cruz lauded the men and women of Police Regional Office CALABARZON for all the efforts and hard work in making the region generally peaceful for the past six months since he assumed as the top cop of CALABARZON on May 10, 2021.

“The past months have been tremendously hard and challenging for all of us. But as we look back, I must say that everyone deserves a tap on their back for being resilient and optimistic amid all the trials. Sa pagtatapos ng taon nais kong pasalamatang lahat ng kapulisan ng CALABARZON sa kanilang sipag at tapat na paglilingkod. Bagamat sila ay anak, kapatid at mga

magulang din, nagawa pa rin nila ang kanilang mga tungkulin ng maayos upang mapanatili ang kaayusan at katahimikan dito sa rehiyon,” said Cruz.

Cruz said the police force of PRO CALABARZON along with the other government agencies, stakeholders and the community had been working hand-in-hand to ensure peace and order in the region.

“Malaking bahagi ng kaayusan at katahimikan ng rehiyon ay dahil sa tulong ng ibang ahensya ng gobyerno, stakeholders, lalong-lalo na ang mamamayan ng CALABARZON na patuloy na nakikipagtulungan sa pagsugpo ng kriminalidad sa ating bayan,” he said.

For the past 6 months, the Regional Investigation and Detective Management Division has documented 25, 372 total crime incidents.

There is a decrease in the crime incident by 1.17 % or 300 incidents compared to July – December 2020 with 25, 672 crime incidents.

More so, based on the report, a total of 14, 850 or 96.15% of cases were cleared and 12, 735 or 82.45% were solved for the last 6 months this year.

“I always see to it that cases should be solved with utmost dedication because that is what a law enforcer should do. We give justice to the family of victims and put behind bars the criminals,” Cruz added.

Cruz highlights the successful solution of the death of Lorena Presbitero De Jesus, Barangay Chairman of Brgy. Kanluran, Sta Rosa City, Laguna that happened last November 22, 2021 inside Pares Mami Store, beside Brgy. Kanluran Health Center and Barangay Hall of Brgy.

Kanluran, Sta Rosa City, Laguna.

According to Cruz, he has been on top of the case and ordered the authority to conduct in-depth investigation. As a result, in the CCTV footages, suspects' description was captured, victim's daughter who witnessed the incident identified the suspects as: (1) Darby Gonzales Bernilla a.k.a Brad, a resident of No. 46 National Highway, Brgy. Tagapo, Sta Rosa City, Laguna and Rustom Bryle Yambao Maramba a.k.a Teban/Utum, a resident at Maramba Compound, Añonuevo St., Brgy. Kanluran, Sta Rosa City, Laguna.

Through the concerted efforts of the Sta Rosa City Police Station, on December 15, 2021, the daughter of the victim filed a case to suspects for Violation of Article 248 of Revised Penal Code or Murder for

conspiring to kill the late Barangay Chairman Lorena Presbitero De Jesus. The case was filed at the Office of the City Prosecutor of Sta Rosa, Sta Rosa City, Laguna docketed under IS No. IV-19-INV-21L-00588 duly received by Assistant City Prosecutor James E. Villanueva.

“Hindi kami titigil sa pagtugis sa mga kriminal upang masigurado namin na ang mamamayan ng CALABARZON ay makakatu-log ng mahimbing ng walang pangamba sa kanilang seguridad,” General Cruz added.

On the report dated May 10 – December 26, 2021, there is a total of 1,776 recorded Arrested Most Wanted Persons and 4,393 for the other Most Wanted Persons.

Cruz also said that he put the police force on alert during Christmas and New Year to ensure peaceful and safe celebration

for the people of this region. This is in response to the directive of President Duterte to utilize the police force these holidays.

Cruz also added that as early as now, the police force of this region are coming up with the preparations for the upcoming National and Local Elections.

“After this holiday season, we shall focus on the coming elections. We shall make sure that the people of CALABARZON are safe as they practice their right to suffrage. Ang bawat boto ng mamamayang Pilipino ay susi at tulay tungo sa panibagong pag-asa. Pangalagaan natin ang katahimikan at kaayusan lalo na sa panahon ng eleksyon. Maki-pagtulungan po tayo sa PNP!” Cruz as he calls on the people to work with the PNP to have safe, secure and peaceful elections. (ROSELLE AQUINO)

PHILHEALTH, TATANGGAP NG P80-B... from p. 1

kod sa taunang suporta sa badyet nito, ang PhilHealth ay kumukolekta ng mahigit P100 bilyon mula sa milyun-milyong manggagawa mula sa pribado at pampublikong sektor.

“So the state health insurer will have more than P180 billion next year for health services for its members,” paha-

yag ni Defensor.

Ang PhilHealth ay kasalukuyang sangkot sa hindi pagkakaunawaan sa ilang mga ospital dahil sa bilyon-bilyong hindi nabayarang mga claim.

Dahilan upang himukin ni Defensor ang insurer at mga ospital na lutasin ang kanilang alitan sa pam-

amagitan ng diyalogo.

“This has been a recurring problem. The two sides should agree on a common solution that protects the interests of honest health facilities and medical practitioners, on one hand, and taxpayers and PhilHealth members, on the other,” aniya.

PAGBEBENTA, PAGGAWA, ILIGAL NA PAMAMAHAGI NG MGA PAPUTOK, IPINAGBABAWAL SA GEN EMILIO AGUINALDO

Sa pamamagitan ng isang kautusan, ang paggawa, pagbebenta at iligal na pamamahagi ng anumang uri ng mga paputok ay ipinagbabawal sa General Emilio Aguinaldo (Bailen).

Ito ay batay sa Executive Order No. 44 na nilagdaan at ibinahagi ni Mayor Nelia Bencito

Angeles kung saan nasasaad na ipinagbabawal sa hurisdiksiyon ng kanilang bayan ang mga nabanggit na aksyon sa kahit anumang uri ng firecrackers at pyrotechnic devices.

“Walang business permit o license ang ating BPLO upang makapagbenta ng mga nasabing firecrackers at pyrotechnic devices,”

ani Mayor Angeles sa kaniyang pabatid online.

“Ito po ay upang mapanatili natin ang public safety, peace, and order bilang pakikiisa sa Executive Order No. 28 na inilabas ng ating Pangulo Rodrigo Duterte o ang Regulation and Control of the Use of Firecrackers and other Pyrotechnic Devices,” dagdag pa niya.

Taste and see that the Lord is good; blessed is the one who takes refuge in him.

NAGBEBENTA NG SOBRE NA MUKHANG P1K, ARESTADO SA CAVITE

Inaresto ng pulisya ang isang babaeng seller sa lalawigan ng Cavite na nagbebenta ng mga sobre na mukhang tig-P1,000.

Batay sa naging ulat ng GMA News, ang naturang suspek ay matagumpay na nasakote sa isang operasyon na isinagawa ng

mga kawani ng National Bureau of Investigation at Bangko Sentral ng Pilipinas sa General Mariano Alvarez, Cavite.

Nasamsam sa suspek ang nasa 150 sobre na mapagkakamalang nakatuping P1,000. Dinpensahan naman niya ang sarili at ipinaliwanag na reseller lamang siya at hindi

namemeke ng pera.

Batay kay Armida Artango, bank officer II ng BSP, ang paggaya sa Philippine currency notes, maliban kung may paalam sa BSP, ay mariing ipinagbabawal sa ilalim ng BSP circular.

Dagdag pa nito, ang mga lumalabag sa naturang kautusan ay haharap sa pagkakakulong ng lima hanggang sampung taon.

DASMAREÑO, 2ND PLACE... from p. 1

noong Disyembre 18 hanggang 23 sa Quezon City.

Ayon kay Congressman Pidi Barzaga, si Kylene Joy Mordido ay anim na taon ng miyembro ng Dasma Chess

Team at nakakuha ng iba't ibang titulo tulad ng Woman International Master (WIM) at isang Woman Grandmaster Norm (WGM) sa South Korea taong 2018, habang 2nd WGM sa

Myanmar noong 2019.

Lubos na binabati ni Barzaga ang pagkap-analong ito ni Mordido na nagbigay karangalan hindi lamang sa lungsod ng Dasma pati na rin sa lalawigan ng Cavite.

ARMY HAS 159 NEW RECRUITS

CAMP CAPINPIN, Tanay, Rizal - A total of 159 civilian applicants took their oath at Camp General Mateo Capinpin, Tanay, Rizal as Candidate Soldiers quota for the 2nd Infantry Division and three other Philippine Army units.

As the year 2021 is almost at the end, the opening ceremony for Candidate Soldier

Course Class 704 - 2021 was graced by

Maj Gen Rowen Tolentino, the commander of the 2nd Infantry Division of the Philippine Army, as the Keynote Speaker.

The ceremony signaled the start of a new life for the oath takers as they officially became candidate soldiers of the Philippine Army.

During his speech,

Tolentino reminded the candidate soldiers that the profession of arms is difficult, requires responsibility, and a great deal of sacrifice that often entails one's own safety. Tolentino stated that "Hindi lingid sa inyong kaalaman na ang bokasyong inyong napili ay sadyang mahirap. Kapalit ng pagkakaroon natin ng matatag na sweldo at bene-

pisyo, ang pagsusundalo ay propesyong humihiling

ng tapat na pagseserbisyo. Kaakibat ng pagseserbisyo ang mabigat na responsibilidad, na kadalasan ay humihiling din ng sakripisyo at pagtaya sa personal na kaligtasan".

Ngunit huwag kayong mangamba, lahat naman ng ito ay inyong paghahandaan. Kayo ay sasanayin upang magkaroon kayo ng kakayahang at karunungan

gampanan ang mga tungkulin at responsibilidad na nakapaloob sa pagseserbisyo sa loob ng Philippine Army.

Construction of New Iconic Bridge in Manila Now 88% Complete

The Department of Public Works and Highways (DPWH) has started with the massive installation of prefabricated girders for abutments and ramps of the iconic Binondo - Intramuros Bridge Project in Manila.

In his report to DPWH Acting Secretary Roger G. Mercado, Undersecretary and Build Build Build (BBB) Chief Implementer Emil K. Sadain said that already lifted

on piers were steel box girder components for the up-ramp at Intramuros side with a total length of 191 meters and between pier 5 to near pier 8 for the viaduct structure over Estero de Binondo and corresponding ramp at Binondo side.

Undersecretary Sadain, in-charge of DPWH Unified Project Management Office (UPMO) Operations, said that the overall progress of the bridge project implemented by UPMO - Roads Management Cluster 1 (UP-

MO-RMC 1) is now at 88.63 percent.

Simultaneously, manpower and equipment resources are also doing the lifting of pre-fab girders for the 298 meters up-ramp at Muelle dela Industria side.

"We are expecting a lot of dramatic changes for this project, with all the needed materials and high-performance launching equipment available on the construction site", Undersecretary Sadain told contractor China Road and Bridge Cor-

poration following his inspection with UPMO RMC 1 Project Director Benjamin A. Bautista, Project Manager Melchor Kabilang, and Project Engineer Joey Doria.

The Binondo-Intramuros Bridge Project involves the construction of 680 linear meter bridge connecting historic district of Intramuros at Solana Street and Riverside Drive with the bustling district of Binondo at Rentas Street/Plaza del Conde Street and Muelle dela Industria.

With an already completed basket-handle tied steel arch main bridge over Pasig River, DPWH is targeting to finish the project by the first half of 2022.

Initially, the new bridge would be completed by end of 2021.

However, DPWH had to push back the project timeframe to relocate public and private services and utilities in the area as well as to wait on the pre-fabricated steel materials to come in from China. The project was also affected

by work suspension at the height of COVID-19 pandemic.

The ₱3.39-Billion bridge project is financed by a grant aid from the People's Republic of China.

Considered one (1) of the flagship infrastructure projects of DPWH under the Build, Build, Build Program, the bridge project is expected to not only cut travel time between the two busy districts of Intramuros and Binondo in Manila but also benefit approximately 30,000 vehicles daily.

CALABARZON STARTS COVID-19 BOOSTER ROLL-OUT

Calam - ba City - De - partment of Health (DOH) Secretary Francisco Duque III led the ceremonial booster vaccination for senior citizens and immunocompromised individuals of CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) held at DREAM Zone, Capitol Compound, Batangas City, which is also the designated vaccination site of the province.

"This third shot of Covid-19 vaccine will provide the optimum protection from the virus. It is essential to strengthen the efficacy of the two doses of vaccines received," Duque reiterated.

The Covid-19 booster campaign for senior citizens and individuals with comorbidities and immunocompromised started on Monday, November 22, 2021. "This is to enable our elderly population to have an extra vax, and for them to become fully vaccinated and protected against the virus," Duque emphasized.

He also pointed out that individuals who have received two vaccines can choose which booster shot they prefer depending

on the availability of vaccine brands at the vaccination site.

Vaccines from Moderna, Gamaleya Sputnik, Pfizer and AstraZeneca have been approved by the Food and Drug Administration (FDA) to be used as a third dose.

Person with comorbidities and immunocompromised individuals who are eligible to receive the booster shot includes those with immunodeficiency state, people living with HIV, active or malignant cancer, transplant patients and patients under immunosuppressive treatments.

DOH-CALABARZON Regional Director Ariel Valencia added that individuals who are eligible for booster doses can have their shot at any vaccination site by presenting their vaccination card and a valid ID.

"Kailangang din na mayroong maipakitang doctor's clearance bago sila mabakunahan ng booster shot upang masiguro ang kanilang kalusugan," he added.

A total of 3 million individuals are targeted for booster shots in the region.

As of November 22, 2021, the regional office recorded

CALABARZON AGAIN TOPS THE HIGHEST NUMBER OF VACCINEES FOR TWO STRAIGHT DAYS

Calam - ba City (CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) again obtained the highest number of vaccinated individuals during the second day of the 30-day national vaccination days being conducted by the national government with a total of 360,444 jobs administered for day 2.

CALABARZON was followed by Central Visayas (Region VII) with 197,442, Western Visayas (Region VI) - 174,782 and Bicol Region (Region V) - 158,579.

The total jobs administered during day

1 was 384,452 plus 360,444 for day 2 for a total of 744,896 or 63.9% accomplishment for the 1 million jobs target for the national vaccination days (NVD).

The province with the highest number of administered Covid vaccine for day 1 and 2 is Laguna with 175,784 doses followed by Cavite with 173,683 doses, Batangas - 168,389, Rizal - 116,578, Quezon - 95,079 and Lucena City with 15,383 doses.

The National Task Force Against Covid-19 (NTF) and the National Vaccination Operations Center (NVOC) has recently lowered

the target of 15 million doses to be administered during the 3-day "Bayanihan Bakunahan" to 9 million jobs due to the global shortage in syringes specifically intended for the Pfizer-BioNTech vaccines including the delay in the scheduled shipment of the procured supplies made through the Unicef (United Nations Children's Fund).

The NTF and NVOC are now expecting to administer Covid shots to at least 3 million people as its new target.

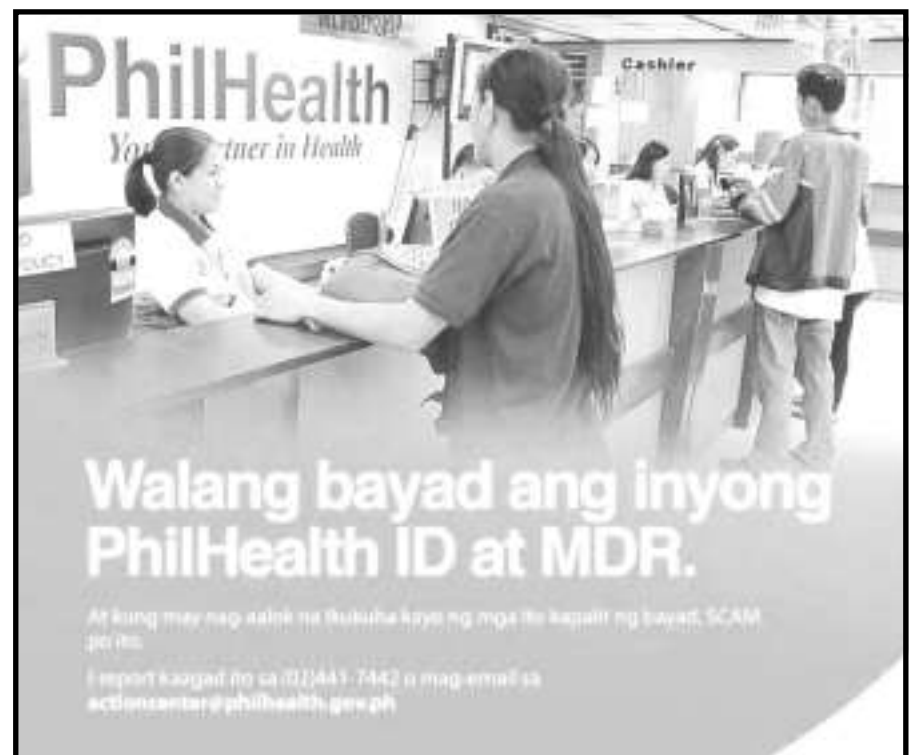

For CALABARZON, the new target set is at 1 million doses for the 3-day NVD.

Regional Direc-

tor Ariel Valencia has already addressed issues regarding booster shots for the A3 priority groups. "We have already accommodated senior citizens and immunocompromised individual prioritized their jobs especially when they are already at the vaccination sites."

"Lahat ng gustong magpabakuna at eligible ay babakunahan at walang maiwan. We appreciate the commitment of our partners in the government and private sector, who are working hard to achieve our goal for the 3-days activity," he emphasized.

"Bantayan po natin ang mga bata dahil madalas ay ipinagamit sa kanilang kalalaro ang kanilang torotot at pito at dito nagkakaroon ng di maiiwasang transmisyon ng mikrobyo."
