DSWD fast-tracks IRR for immediate benefits of solo parents

MANILA – Department of Social Welfare and Development (DSWD) Secretary Erwin Tulfo ordered the fast-tracking of the Implementing Rules and

Regulations (IRR) of the Expanded Solo Parents Welfare Act so beneficiaries can immediately enjoy their privileges. A technical working group (TWG) has

CAVITEX C5 LINK FLYOVER EXTENSION IS NOW OPEN

Binan City - The Toll Regulatory Board (TRB), the grantor of the Manila-Cavite Toll Expressway Project (MCTEP), jointly announces with Cavite Infrastructure Corporation (CIC) and joint venture partner Philippine Reclamation Authority (PRA) the CAVITEX C5 Link Flyover Extension (Segment 3A2: Merville to E. Rodriguez) was opened to the motoring public at 6AM of August 14, 2022.

This new 1.6-kilometer segment of CAVITEX C5 Link connects to the operational 2.2km flyover that provides convenient access and improved travel time for motorists bound to C5 Road in Taguig from Merville, Paranaque, and vice versa. It is a milestone achievement

towards completion of the much-awaited CAVITEX C5 Link.

CAVITEX C5 Link is a 7.7km segment of CAVITEX that will connect to CAVITEX R1 Paranaque toll plaza, which will help reduce travel time from CAVITEX to Makati, Taguig, and Pasay by thirty to forty-five minutes, while helping decongest EDSA, MIA road, Roxas Boulevard, and other major thoroughfares. More than 50,000 motorists would benefit from this project upon its completion in 2023.

The opening ceremony was graced by Metro Pacific Investments Corp. Chairman Manny V. Pangilinan, Department of Transportation Sec. Jaime Bautista, DPWH Undersecretary for Planning and PPP, Maria Catalina Cabral, together with MPTC Executives, MPTC President and CEO, Rodrigo Franco, and MPT

South President and General Manager, Mr. Raul Ignacio, and Metro Pacific Investments Corporation Head of Government Relations and Public Affairs and Head of MVP Group Media Bureau, Atty. Mike Toledo. Also present in the event are Senator Mark Villar, Congressman Edwin Olivarez and Mayor Eric Olivarez of Paranaque City, Mayor Imelda Calixto-Rubiano of Pasay City, other government partners and various community stakeholders. With the opening of the CAVITEX C5 Link Flyover extension, a new traffic scheme will be implemented for motorists entering the expressway in Merville. Vehicles from Paranaque going to Taguig shall now pass into the new C5 Link Flyover Merville entry located in front of Shell C5 Southlink, Brgy. Moonwalk, Paranaque. (ROSELLE AQUINO)

also have 10-percent discount and exemption from the value-added tax on the child's milk, food, micronutrient supplements, sanitary diapers, duly prescribed medicines, vaccines, and other medical supplements from birth until the child is six years of age. The solo parent will be prioritized in low-cost housing projects through the National Housing Authority with liberal terms of payment and will be provided with automatic coverage by the Philippine Health Insurance Corporation.

Moreover, the solo parent can access scholarship programs through the Department of Education, Commission on Higher Education, or Technical Education and Skills Development Authority, subject to eligibility and criteria qualifications.

A child of the solo parent may also qualify for a full scholarship program until age 21.

The new law stipulates the prioritization of solo parents, particularly the solo mothers, in re-entering the workforce, and their children, as applicable, in apprenticeship, livelihood training, among others.

The DSWD is tasked to spearhead the creation of a Comprehensive Package of Social Protection Services in coordination with other national government agencies.

Further, a solo parent with child or children in school will be a

priority in the selection of new beneficiaries of the Pantawid Pamilyang Pilipino Program if the income is within or below minimum wage.

The solo parent may likewise apply for livelihood assistance under the Sustainable Livelihood Program of the DSWD. At the House of Representatives, PBA party-list Rep. Margarita Nograles filed the Single Persons' Welfare Act for single persons who are family breadwinners.

The bill defines a single individual as a person who is not legally married or whose previous marriage was annulled or declared void.

It also covers a person who exercises custody or provides financial support to minors not his or her child.

The dependents are minor siblings, minor nephews or nieces, unemployed parents and relatives, and ascendants up to the fourth degree of consanguinity who have disabilities.

However, single individuals who fall under the Expanded Solo Parents Welfare Act are not covered by the bill.

"Some single or unmarried individuals likewise provide financial support to the children of their siblings, or serve as guardians in cases where their siblings are abroad or are financially incapable of supporting their own children," Nograles said in a previous statement. (PNA)

Saan aabot ang P18 pesos mo?

Ayon sa bagong labas na estatistika ng pamahalaan, kasya na daw ang halagang P18 para makapagluto ng isang kainan ang isang tao.

Kaya kung altanghap, sapat na daw ang P55.80 na arawang budget, alinsunod sa tinatawag na daily food threshold ng isang Pinoy, base sa datos ng Philippine Statistics Authority (PSA).

Lampasan mo ito, at hindi ka na ituturing na "food poor," ayon kay Deputy House Speaker at Batangas Representative Ralph G. Recto

According to the PSA, a family of five would need P279 (in 2021, when the study was made) to meet the minimum basic food needs a day, for three square meals or P93 per meal for five people.

Ayon pa kay Recto, may paniwala ang PSA na kung may P93 ang pamilyang may limang miyembro, solb na ang kanilang isang pananghalian.

PSA's 2021 "National Poverty Statistics" report showed a finding that a five-member family would only need P8,379 to meet its

monthly minimum basic food needs.

"I am fan of PSA reports, a devotee of their studies, a champion of their mandate, but this one I find hard to swallow," Recto said.

Even if it was taken in 2021, a Nobel winner in kitchenomics would find it hard then to whip up a meal for five that would meet nutritional standards on a P93 budget, he said.

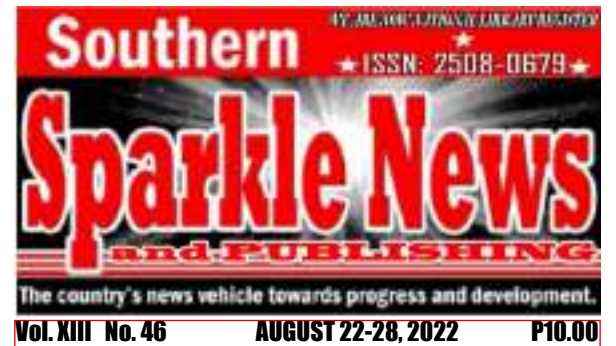

The Batangas Representative is wondering what sample meals were cooked by the PSA people in their test kitchens which prompt-

RECTO

ed them to issue that food threshold cost.

Maybe the PSA would like to share their miracle recipe for the enlightenment of families who are hav-

ing a hard time putting food on the table and making ends meet, he said.

Even if that amount would be adjusted for inflation, in this era of P400-a-kilo onions, he does not think that P93 would be enough for one family super-tipid meal.

Is it possible then

that real hunger and poverty rates were higher than what were officially captured, Recto asked.

Hindi kaya mas mataas ang bilang ng GNP o Gutom na Pilipino - kesa doon sa PSA estimate na 6.55 million Filipinos, dagdag na tanong ni Recto. **(Benjie J. Murillo)**
