PBBM meets with DOH,DILG to assess Covid-19 situation

MANILA – President Ferdinand "Bongbong" Marcos Jr. on Thursday met with the officials of the Department of Health (DOH) and the Department of the Interior and Local Government (DILG) to assess the current coronavirus disease 2019 (Covid-19) situation in the country.

Marcos convened the meeting at Malacañan Palace in Manila, following the recommendation of the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) to allow the optional wearing of face masks outdoors.

"Today, President Ferdinand R. Marcos Jr. met with key officials from the Department of Health (Philippines) and the DILG Philippines to assess the country's Covid-19 situation in light of the IATF's recommendation to make face masks optional outdoors," the Office of the President (OP) said in a Facebook post.

The OP, however, did not mention any decision made by Marcos with regard to the IATF-EID's recommendation.

It, nevertheless, noted that Marcos sees as a positive development the continued drop in Covid-19 infections, amid his administration's efforts to ramp up the nationwide vaccination drive.

LALAKI NA NASA LOOB NG PAMBABAENG CR SA ISANG MALL SA GENTRI, NANG-MAMANYAK NG MGA BABAE

Viral ngayon sa social media ang post ng isang concerned citizen ukol sa nangyari sa kanya mula sa isang CR sa Robinson's General Trias.

Batay kay Alex Dawn, uploader at biktima, nasa loob na siya ng isang cubicle sa CR ng naturang mall nang biglang may nag-slide ng isang pirasong tissue paper sa sahig habang mayroong nakatutok na camera ng cellphone na galing umano sa kabilang stall.

Matapos mabasa ang kabastusang nakasulat sa tissue ay kaagad umano niyang kinompronta ang tao sa naturang stall sa pamamagitan ng pagkalampag at paghiyaw sa kung sino man ang nagtatago roon.

"Walang masyadong tao sa loob ng cr, pero nag decide ako i-confront yung tao. Lumabas ako at pinag hahampas ko yung pintuan nung stall at nag demand na lumabas syang manyak sya. May isang ate na employee sa loob ng cr and sinabi nya na tatawag daw sya ng guard," ani Alex.

"Pumunta ako sa entrance ng CR para i-advice yung mga papasok na merong lalaki sa loob ng CR ng BABAE. Sure enough, may lalaking lumabas galing sa isa sa mga stalls," dagdag pa niya.

Matapos nito ay lumabas na ang lalaki na tila walang kasalanang ginawa at sinubukan pang magbigay ng rason.

"Nag reason pa yung manyak na hindi daw sya nag vi-video at nagkamali lang sya ng pasok ng CR. May dalawang ate na nag kkwentuhan sa entrance ng cr at sabi nila around 30mins na sila nandun and wala silang nakitang pumasok na lalaki so most likely kanina pa yung manyak sa loob at baka ilang victims na ang na videohan nya," pagkukwento ni Alex sa kaniyang post.

"Very disappointing ang mabagal na pag respond ng mga guards sa mall, knowing na ang daming assaults against women on top of kidnapping na nangyayari recently," dagdag pa niya na ang tinutukoy ay ang security team ng naturang mall.

"I managed to get a few slaps and punches sa guy then sinundan namin sya at I grabbed his shirt dahil tatakas pa sya dahil ang tagal dumating ng mall guards," pahayag niya.

Matapos nito ay kinuha umano ng mga rumespondeng security ang lalaki ngunit hindi niya sigurado kung dinala ba ito sa presinto.

"Security took him, I did not know what happened to him afterwards. If pina-pulis or pina-alis lang. Pero very questionable na parang kalmado lang yung manyak, parang matagal na nya ito ginagawa," aniya. "But big thanks to all the women who were there with me at hindi ako pinabayaan mag isa. Please always be careful, scumbags are everywhere."**(go cavite)**

MPT SOUTH, DOT CALABARZON, AND DILG IVA LAUNCH BIYAHENG SOUTH EXPERIENTIAL TOUR FOR NATIONAL TOURISM MONTH

Biňan City Metro Pacific Tollways South (MPT South), in partnership with the Department of Tourism CALABARZON (DOT Calabarzon) and the Department of the Interior and Local Government Region 4-A (DILG IV-A), joins the celebration of the National Tourism Month this September 2022 thru "Biyaheng South" Experiential Tour.

Co-presented by Millennial Resorts Corporation and with sponsors GAC Motor Philippines and The Adventure, MPT South brought its 'Ka-Biyaheros' that comprised of online content creators (Explore With Chelo PH, Hungry Byaheros, Lakwatsero Caviteno, All About Cavite, The Hungry Traveler PH, GO Cavite, GO Tagaytay, GO Batangas, and GO Philippines) and lifestyle media partners (TripZilla and Lifestyle Inquirer) for a two-day ultimate road trip experience headed towards the different tourist destinations in the progressive provinces of South, easily accessible via the Cavite-Laguna Expressway (CALAX) toll road network.

The group started the tour checking onto the sustainable headquarters of MPT South, the MPT South HUB, a LEED Gold certified, 4-storey building located in Imus, Cavite. They had a glimpse of its innovation and green technology: solar panel field, the building's biophilic design, a dedicated charging station for electric vehicles (EV), and its highly advanced traffic control room.

Taking the trip to the next level, the Ka-Biyaheros squad was boarded with the world-class and luxurious vehicles of GAC Motor Philippines ranging from SUVs and vans. It drove through the operational segments of CALAX heading towards Biyaheng South's itinerary in Cavite and Batangas.

Cavite is home not only to historical sites but also to art galleries, museums, and even zoos. Biyaheng South took the team on a cultural trip and visited a secret garden place, Cordillera-inspired "Living Museum" in Silang, Cavite called Shambala Silang. The enchanting place let the Ka-Biyaheros experience nature, local art, and authentic Filipino cuisine altogether. The squad also looked into the major attractions of Yoki's Farm in Mendez, Cavite, a ten hectares farm, zoo, and a museum rolled into one, wherein they had a chance to be young again by interacting up-close with a variety of species from farm to exotic animals.

After exploring various art galleries and museums, Biyaheng South brings the trip to its 'exciting part'. Less than two hours ride from Cavite, the Ka-Biyaheros squad headed to Calatagan, Batangas- famous for scenic seaside tourist spots and idyllic beaches. The squad witnessed the beautiful golden sunset, overlooking the sea at Cape Santiago Lighthouse, which stands atop a cliff by the shore of Calatagan and is one of the oldest lighthouses in the country that is still operational.

Just a few kilometers away, the whole team had an overnight stay in Crusoe Cabins at Calatagan South Beach (CaSoBe) by Millennial Resorts which allowed them to relax, refresh, and rejuvenate after a long day trip. Crusoe Cabins feature sustainable upcycled container vans transformed into innovative rooms that blend onto rustic sea scape.

This year's Biyaheng South Experiential Tour ended the trip by participating in a Tai Chi Gong class and indulging the Ka-Biyaheros squad for an ecotherapy, healthy food preparation classes like juice making, in one of the "Most Relaxing Spas in Asia" named by CNN Go- the Nurture Wellness Village located in Tagaytay.

"We wanted to thank our partners, the Department of Tourism Region 4-A (DOT Calabarzon), the Department of Interior and Local Government Region 4-A (DILG 4-A), our co-presenter Millennial Resorts, and our sponsors GAC Motor and The Adventure for making this event possible. As we join the celebration of the National Tourism Month, MPT South is very hopeful for the fast recovery of the tourism sector in Region 4-A by providing accessible road and convenient travel to individuals, after lockdowns brought about by the pandemic," said Ms. Arlette Capristrano, Assistant Vice President for Communication and Stakeholder Management Division of MPT South.

"Cavite and Batangas are blessed to have many open-air, nature, arts, and culture-based tourism products that our domestic travelers would like to experience when traveling amid the pandemic. And best of all, these tourism destinations and attractions can be accessed quickly and conveniently from Metro Manila through land travel via the Cavite-Laguna Expressway (CALAX), which is the most ideal way to travel south. It is with the hope that the partnership forged between DOT IV - A and MPT South will promote a dynamic tourism service and enhance our economy through inclusive and sustainable development of tourism with the Biyaheng South Program," said Regional Director Marites Castro, Department of Tourism .

"By promoting domestic travel in Batangas through programs like Biyaheng South Experiential tour,Millennial Resorts and MPT South is helping the tourism industry recover from the challenges of the times," asserted Patrick C. Gregorio, Landco senior consultant for Hospitality and Tourism.

MPT South's "Biyaheng South" is an award-winning tourism program of the toll road company that has been active on social channels like Facebook and TikTok for promoting its toll road network Manila-Cavite Expressway (CAVITEX and CAVITEX C5 LINK) and Cavite-Laguna Expressway (CALAX) as a gateway towards the sensational sites and attractions in South. With over 20,000 combined followers for both digital platforms, Biyaheng South was able to generate more than 1 million views on TikTok and gain a lifetime reach of 430,000 on Facebook, increasing vehicle traffic count along its expressways and helping boost the economic growth of the provinces hampered by the pandemic.

MPT South is a subsidiary of Metro Pacific Tollways Corporation (MPTC), the toll road development arm of Metro Pacific Investments Corporation (MPIC). It is the biggest toll road builder and operator in the country. Aside from the CAVITEX and CALAX, MPTC's domestic portfolio includes the concessions for the North Luzon Expressway (NLEX), the NLEX Connector Road, the Subic-Clark-Tarlac Expressway (SCTEX), and the Cebu-Cordova Link Expressway (CCLEX) in Cebu.

TRUCK NAGLIYAB SA HARAPAN NG ISANG ESKWELAHAN

Isang Truck na may kargang mga pintura ang nagliyab kung kaya nagkaroon ng tensyon ang mga mag aaral sa isang pampublikong paaralan nang nakarinig ng putok sanhi ng pagsiklab ng apoy na nagmula sa isang Isuzu Elf Truck sa Silang, Cavite.

Pinapasok at pinanatili sa loob ng classroom ang lahat ng mag-aaral ng Brgy Tartaria Elementary School nang nagliyab ang isang Isuzu Ef Truck na may plakang UTV 488.

Ayon sa ulat ni PCpl Minervin Castillo ng Silang Police Station, dakong alas-2: 10 ng hapon nang naganap ang insidente kung saan minamaneho ni Eddie Canaoay Nicquiao ang kanyang Isuzu Elf truck na may kargang mga pintura sa likurang ng kanyang sasakyan habang binabagtas ang kahabaan ng Tagaytay-Sta Rosa Road, Brgy Tartaria, Silang Cavite patungo sa direksyon ng Maynila nang napansin niya sa kanyang side mirror ang tila usok sa likuran ng kanyang sasakyan.

Ipinarada nito ang kanyang sasakyan sa gilid ng kalsada sa harapan ng Brgy Tartaria Elementary School saka bumaba ito kasama ang kanyang pahinante at tinanggal ang trapal nito at nakita ang nasusunog na pintura.

"Gumamit ng fire extinguisher pero lalong nagliyab hanggang sa lumaki ang apoy" ayon kay Castillo.

Mabilis naman ang responde ng pamatay sunog gayunman, halos sunog na ang nasabing sasakyan.

Hinala rin ng imbestigador na posible umanong nag-trigger ang init dahil nakatakip sa trapal ang nasabing mga lata ng pintura.

Wala namang nasugatan sa nasabing insidente.

PBBM meets with DOH... from p. 1

"President Marcos welcomed the DOH report which noted a steady decline in Covid-19 cases. The DOH attributes the low positivity rate of 12 percent to the success of the government's intensified national vaccine rollout," the OP said.

The proposal to make the use of face masks optional was first broached by DILG Secretary Benhur Abalos Jr.

Abalos, citing data from different Southeast Asian nations, said there was barely a difference between number of Covid-19 cases in areas where wearing of face masks was mandatory and where they were partially or completely lifted so long as minimum public health standards are strictly observed.

DOH officer-in-charge Maria Rosario Vergeire backed the proposed optional wearing of face masks, but urged the public especially the vulnerable persons to continue wearing one.

Marcos' approval is needed before the IATF-EID's recommendation becomes a policy.

Press Secretary Trixie Cruz-Angeles reminded the public that the use of face masks remains mandatory, unless Marcos approves the proposal to make it voluntary.

As of Thursday, the country logged an additional 2,404 Covid-19 cases infections, raising the number of active cases to 24,032.

The country's total case load has now reached 3,898,882, according to DOH's Covid-19 tracker uploaded on its official website. (PNA)

DBP lends P1.286-B for first heart and brain center in CALABARZON

State-owned Development Bank of the Philippines (DBP) has granted P1.286-billion in funding support to a Batangas-based healthcare institution to enhance the delivery of basic and specialized health services in the Cavite-Laguna-Batangas-Rizal-Quezon (CALABARZON) region, a top official said.

DBP President and Chief Executive Officer Emmanuel G. Herbosa said the loan extended to Global East Medical Center Lipa, Inc. (GEAMC) under the Bank's Strategic Healthcare Investments for Enhanced Lending & Development (SHIELD) program will finance the construction of the first and only heart and brain center in Region IV-A.

"DBP's credit support to GEAMC Lipa is in line with the Bank's thrust of providing critical financial support to private healthcare providers for the improvement of the delivery of healthcare services to the Filipino people, especially those in the countryside," Herbosa said.

DBP is the sixth largest bank in the country in terms of assets and provides credit support to four strategic sectors of the economy – infrastructure and logistics; micro, small and medium enterprises; environment; social services and community development.

Global East Medical Center Lipa Inc. is a private corporation owned and operated by practicing medical practitioners and business experts in Lipa City. The new facility is expected to bolster the capacity of the region to cater to the growing demand for medical services which currently stands at 219,235 inpatient bed days and 150,621 outpatient visits.

Herbosa said that under the agreement, P1.136-billion will be utilized to partially finance the construction of a seven-storey Level 2 hospital strategically located along the J. P. Laurel National Highway in Lipa City while the remaining P150-million will cover the acquisition of medical equipment and machineries.

He said that the projected expansion is a boon to the people of Lipa City and nearby municipalities, especially for patients with cardiovascular and cerebrovascular diseases being managed invasively or surgically.

"The project is also expected to decongest Metro Manila-based specialty hospitals while improving the bed capacity in the province from 3,088 to 3,296 or a bed to population ratio of 1:817," Herbosa said.

DBP Executive Vice President for Development Lending Paul D. Lazaro said that as of May 31, 2022, DBP has approved 133 accounts under the SHIELD Program for a total of P35-billion with 20 of the projects located in Southern Luzon with aggregate funding of P6.5-billion.

"DBP is one with the National Government in its thrust to build specialty hospitals in various parts of the country, boost the local healthcare industry and provide accessible, quality healthcare services to the Filipino people," Lazaro said. — DBP

Agarang pag-gamit ng benepisyo, Ipinatutupad ng PhilHealth para sa lahat ng Filipino Citizens

Layunin ng PhilHealth na matiyak na lahat ng mga Filipino, kabilang ang mga dual citizens at naturalized Filipinos, ay awtomatikong makakagamit ng benepisyong medikal sa oras na kailanganin ito. Ito ang tinatawag na "immediate eligibility".

Upang awtomatikong makagamit ng benepisyo ang isang Filipino, kinakailangan lamang magparehistro sa pinakamalapit na Local Health Insurance Office (LHIO) sa kanilang lugar.

Sakaling hindi pa rehistrado ang isang pasyente, ang ospital o health facility ang mangangasiwa sa pagrehistro ng miyembro sa PhilHealth sa pamamagitan ng online o manual na pamamaraan.

Tinitiyak ng Universal Health Care (UHC) ang agarang paggamit ng benepisyo (immediate eligibility) ng lahat ng Filipino. Hindi dapat na maging balakid ang kakulangan ng kontribusyon para makagamit ng benepisyo. Gayundin, hindi na kinakailangan na magpakita ng proof ng kontribusyon sa ospital o health facility.

Gayunpaman, nilinaw din sa UHC Law na ang mga miyembro na nasa kategorya ng Direct Contributors, na may gap sa kanilang kontribusyon, na siguraduhin na updated ang kanilang kontribusyo upang maiwasan ang pagkakaroon ng penalty o interest.

Isa sa obligasyon ng mga miyembro ang pagbabayad ng kanilang kontribusyon kasama na ang mga nakaligtaang buwan.

Maglalabas ng hiwalay na guidelines ang PhilHealth sa proseso ukol sa hindi nabayarang premiums.### **(PHILHEALTH)**
