# LTFRB eyes opening 50 more PUV routes in NCR

MANILA – The Land Transportation Franchising and Regulatory Board (LTFRB) may open 50 more public transportation routes in the National Capital Region (NCR) due to increasing demand.  
 In a Laging Handa briefing on Wednesday, LTFRB Board Member Mercy Jane Paras-Leynes said a total of 100 routes have recently been opened to address the rising demand, with the LTFRB continuing to study and evaluate the possibility of reopening or adding more routes.  
 "Sa mga nakaraang

meeting po namin, ang pagkakaalam ko po ay maglalabas po tayo ulit, siguro po mga around 50 additional routes po ang io-open natin (In our past meetings, I think we're planning on adding more, maybe 50 additional routes)," Leynes said.  
 She noted that the LTFRB may reopen these routes within the week.  
 The recent fare increase and reopening of more routes, she said, are to help those working in the public transportation industry.  
 "Maliban po diyan, mayroon po tayong mga

pinag-aaralan na mungkahing tungkol doon sa pagdagdag ng taon doon sa kanilang mga prangkisa sa kadahilanan na may mga pampublikong sasakyan talaga tayo na hindi pinayagang makalabas noong pandemya

(Aside from that, we are looking into adding more years into their franchises because many PUVs were not allowed to operate during the pandemic)," she said.

The LTFRB may also waive franchise-related penalties for affected PUV drivers and operators. These efforts, she said, will serve as permanent and not "band-aid" solutions to chal-

## Three NPA members died in Quezon Clash Anew

**C**AVIN - TI, LA - GUNA - Three New People's Army members of KLG NARCISO, SRMA 4A, STRPC died during an encounter with government forces at vicinity of Sitio Lagmak, Barangay Pagsangahan, General Nakar, Quezon, on September 20, 2022.

Troops belonging to the 22nd Division Reconnaissance Company and 1st Infantry Battalion were conducting Focused Military Operations when they chanced upon undetermined number of fully armed rebels that resulted to an armed engagement.

After the brief fire-fight, three unidentified NPA combatants lay dead and government troops were able to capture two M16 rifles, one R4 rifle, one M203

grenade launcher of the communist terrorists. No government troops was injured in the said incident.

According to Brig. Gen. Cerilo Balaoro Jr., Commander of the 202nd Infantry Brigade, the troops took action due to the complaints of the residents of the said barangay about the presence of NPA members in their community who were foraging and extorting food stuffs and other supplies from the poor populace.

"Said encounter is a result of the cooperation and convergence of agencies comprising Task Force ELCAC from provincial down to barangay level that emboldened the community to act accordingly on the presence of terrorist groups in their locality. This only shows that the people even in the far-flung communities are

already fed up with the continuous extortion and harassment of the NPA particularly to the IP community belonging to the Dumagat tribe.

"We also extend our deepest condolences to the bereaved family of the three NPA fighters killed who were exploited and influenced to tread a path to violence. As such, I would like to reiterate my call on the remaining NPA members to voluntarily surrender, avail the government peace initiative thru the Enhanced Comprehensive Local Integration Program (ECLIP) and live a peaceful life together with their family", Balaoro added.

It can be recalled that on April 18, an armed encounter transpired at So Angelo, Barangay Umiray, General Nakar, Quezon that resulted to the death of two (2) NPA members and capture of war ma-

## MPT South and One Cavite Transport Consortium Join Forces for Bus Drivers' Road Safety Orientation

**B**iñan City - Metro Pacific Tollways South (MPT South), a subsidiary of Metro Pacific Tollways Corporation (MPTC), the toll road development arm of Metro Pacific Investments Corporation (MPIC), held its biggest in-person "Drayberks" road safety seminar over the past two years since the pandemic.

In partnership with One Cavite Transport Consortium Inc., and Paranaque Integrated Terminal Exchange (PITX), at least 50 bus drivers from the bus transportation companies of Saulog Transit, Westcabo, and Saint Anthony De Padua were re-educated on road safety to improve awareness now that the travel demand continues to soar.

These are public utility vehicle drivers that ply Manila-Cavite Toll Expressway (CAVITEX) daily.

"MPT South continues to be an advocate for road safety especially now that we are getting back to the normal traf-

fic we had pre-pandemic, buses and other public vehicles included. We hope that with this Drayberks road safety orientation program, it will help drivers be more conscious of being a defensive driver.

This mindset of safety is valuable in keeping the bus drivers, other PUV drivers, and other motorists safe whilst sharing the road with one another" said Ms. Arlette Capistrano, Assistant Vice President for Communication and Stakeholder Management of MPT South.

"Lubos po kaming nagpapasalamat sa pamunuan ng MPTSouth (CAVITEX at CALAX) dahil sa pagkakataong ito na mabigyan ng seminar ang aming mga driver. Una palang po ito sa sunod sunod na mga session," said Droy Jalbuna, Operations Head, One Cavite Transport Consortium, Inc.

Drayberks is an award-winning social advocacy of MPT South that educates motorists on road safety and shows how they can take advantage of the safety features of the

expressway. Since 2018, Drayberks continues to tap key stakeholders and transport groups to share important reminders to motorists on safety behind wheels.

Drayberks is an award-winning road safety education program that has been recognized in 2019 with a Silver Anvil Awards by the Public Relations Society of the Philippines (PRSP), and this year with a Merit Award for Communication Management by the International Association of Business Communicators Philippines (IABC Philippines).

MPTC is the biggest toll road builder and operator in the country. Aside from the CAVITEX, MPTC's domestic portfolio includes the concessions for the CAVITEX C5 Link, Cavite-Laguna Expressway (CALAX), North Luzon Expressway (NLEX), the NLEX Connector Road, the Subic-Clark-Tarlac Expressway (SCTEX), and the Cebu-Cordova Link Expressway (CCLEX) in Cebu. "Dito natin sinimulan iyong step para tulungan na maingat at maibalik sa, at least, seemingly normal iyong operation ng ating PUVs (This is how we took the first step to help improve, or at least restore, the normal operation of PUVs)," she said.

On Friday, the LTFRB announced a permanent increase in the minimum fare and per kilometer charge in jeepneys, buses, taxis, and transport network vehicle services (TNVS) which takes effect on Oct. 3. It reminded PUV

# Ikulong at pagmultahin, mga n agpapakalat ng 'fake news' – Jinggoy

## ESTRADA

Para matigil na ang patuloy na pagkalat ng "fake news," isinusulong ni Senator Jinggoy Ejercito Estrada naga-

wi ng krimen ang pagpapalaganap ng mga mali o mapanlinlang na balita online.

"Ang mga click baits, propaganda at pagmamanipla ng mga lehitimong news segments para makapagpalaganap ng kasinungalingan, maling balita o disinformation

ay pang karaniwan na ngayon kaya mahirap nang matukoy kung alin ang totoo sa mga pekeng balita. Masyado ng talamak ang mga

ito," sabi ni Estrada.

Sa kanyang inihang Senate Bill No. 1296, sinabi ng Senador na layon ng panukala na sugpuin ang paglaganap ng disinformation o maling impormasyon sa internet sa pamamagitan ng pagsama nito sa mga itinuturing na krimen o cyber crime sa ilalim ng Republic Act No. 10175, o Cybercrime Prevention Act of 2012.

Iminungkahi ng Senador ang pag amyenda sa Section 3 ng RA 10175 para isali ang "fake news" sa depinisyon ng mga termino

## Ni Benjie J. Murillo

at pag sama din nito sa Section 4 o ang listahan ng cybercrime offenses.

Sa kanyang panukala, tumutukoy ang fake news o pekeng balita sa maling impormasyon at disinformation ng mga kuwento, katotohanan at balita na ginagawang isang katotohanan ngunit hindi maberipika o makumpirmaang katotohanan andito. Layunin din nito ay baluktutin ang katotohanan at iligaw ang mga taga-pakinigo

mambabasa.

Krimen na maituturing ang paglikha at pagpapakalat ng pekeng balita naginawa sa pamamagitan ng isang computer system o iba pang katulad na paraan, ayon pa kay Estrada.

Base na din sa mga survey, gaya sa ginawa ng Social Weather Stations (SWS) noong Disyembre 2021 na inilabas ng Pebrero ng

taong ito, nahihirapan na ang karamihang Pilipino namakilala ang pagkakaiba ng fake news sa telebisyon, radyo at social media, dagdag pa ni Estrada.

Sa nasabing SWS survey, lumabas na 70 porsiyento o pito sa sampung Pilipinong nasa tamang edad ang nagsabing malubhana ang problema sa fake news, pati na ang paglipana nito sa internet.
