SP holds public hearing on proposed ordinance strengthening anti-hazing measures in Cavite

In a move to reinforce the Province of Cavite's commitment to protecting students and promoting safe educational environments, the Sangguniang Panlalawigan conducted a public hearing on Proposed Ordinance No. 092-2026, which seeks to strengthen the implementation of Republic Act No. 11053 or the Anti-Hazing Act of 2018, on July 21, 2026, at the Conference Room of the Sangguniang Panlalawigan.

Authored by 4th District Board Member Nickanor N. Austria, Jr. and co-authored by 1st District Board Member Juan Ysmael R. Gandia and 2nd District Board Member Alde-Joselito F. Pagulayan, the proposed ordinance aims to establish stronger preventive measures, monitoring mechanisms, and local coordination among educational institutions, local government units, and covered organizations to curb hazing incidents in the province.

The public hearing was presided over by BM Alde-Joselito F. Pagulayan, who underscored the significance of the initiative in strengthening youth protection and public safety.

"This is the first step in the right direction," BM Pagulayan said, emphasizing the importance of collaboration among government agencies, educational institutions, and organizations in preventing hazing and protecting the welfare of students.

One of the highlights of the hearing was the presentation by the Cavite Provincial Investigation and Effective Management Unit of the Philippine National Police (PNP) Cavite, which provided participants with data and updates on fraternity-related incidents in the province. The discussion of the proposed ordinance

was facilitated by Provincial Board Secretary Michelle F. Alcid, allowing stakeholders to share their insights and recommendations to further enhance the measure.

The public hearing was attended by representatives from the Department of the Interior and Local Government (DILG)-Cavite, Department of Education (DepEd)-Cavite, Association of Private Schools in Cavite, State Universities and Colleges, Office of the Provincial Information Officer, Office of the Provincial Legal Officer, Sangguniang Panlungsod/Bayan Committees on Peace and Public Safety, youth

representatives, and officers of covered organizations across the province.

The activity reflects the Provincial

Government of Cavite's continuing efforts to strengthen local policies that promote safer communities, uphold the rule of law, and

protect the rights and welfare of the youth through proactive governance and multi-sectoral collaboration.---OPIO

kanyang manifestation, argumento at imbestigation, habang tayong mga ordinaryong mamamayan at taong gobyerno ay animo'y nanonood sa isang mala-Sarsuelang palabas. Idagdag pa dito ang mga mapanuring komento ng mga netizens at kadalasan lumalabis na sa pamumula at lihis sa konteksto ng usapin. Wala syempreng magpapatalo at idedepensa ang kanya-kanyang argumento at sabi nga kadalasan, base sa batas. Pero nais kong ipaubaya ang usapin sa mga abogadong bihasa at hinasa ang kaisipan sa alituntunin ng batas at rule of court.

Bago tayo dumako sa pagkundena kung tama ba o mali ang isinasakdal, masusi din nating alamin bilang mga kawani ng gobyerno ang isa sa pinakamahalagang alituntunin...

Ang R.A.6713...Code of Conduct and Ethical Standards for public officials and employees..

CARD MBA, nagsagawa ng global seminar para patatagin ang proteksyong pinansyal ng mga nangangailangang komunidad

Pinangunahan ng CARD Mutual Benefit Association (CARD MBA) ang kaulana-unahang Mutual Microinsurance Network Seminar sa pakikipagtutungan sa International Cooperative and Mutual Insurance Federation (ICMIF) Foundation mula Hunyo 17

hanggang 19, 2026 sa AIM Conference Center sa Lungsod ng Makati upang patatagin ang kolaborasyong nakalaan sa pagprotekta sa mga pamilyang may mababang kita.

Nakasentro sa temang "Replicating Success Globally: Scaling the Mutual Microinsurance Model for the Poorest", ang tatlong-araw na seminar ay nagsilbing plataporma ng pagtututungan para sa mga kalahok upang magbahagi ng kaalaman at karanasan sa pagbuo ng mga programang microinsurance na madaling palawakin at may malaking epekto sa lipunang. Nagbigay-daan din ito sa mga kalahok na tugunan ang mga kasalukuyang hamon sa industriya, tuklasin ang mga umuusbong na inobasyon, at tukuyin ang kinakailangang suportang pinansyal at teknikal.

"Kinikilala natin na ang mga hamon na kinahaharap ng mga mahihirap na komunidad ay masyadong malaki para lutasin ng isang institusyon lamang," ani Dr. Jaime Aristotle B. Alip, ang Founder at Chair Emeritus ng CARD MRI. "Sa pamamagitan ng mga kasunduan at pagbabahagi ng kaalaman, maaari nating gayahin ang mga matagumpay na modelo at lumikha ng mas malakas at mas inklusibong network ng microinsurance."

Ang unang araw ng seminar ay nakatuon sa pagsusuri ng kasalukuyang estado ng microinsurance sa pamamagitan ng pagbibigay-daan sa mga talakayan tungkol sa mga hamon, mga oportunidad, at mga matagumpay na modelo ng sektor mula sa iba't ibang bansa.

Sa ikalawang araw, ibinahagi ng CARD MBA ang naging paglalakbay nito mula sa pagiging mutual fund tungo sa pagiging mutual microinsurance provider. Ipinakita ang istruktura ng pamamahala ng organisasyon, ang sistema ng pag-aayos ng claim na pinatatakbo ng teknolohiya, ang modelo ng distribusyon sa pamamagitan ng CARD MRI Financial Institutions, at mga estratehiya upang mapalaki ang pakikilahok ng mga miyembro sa pagmamay-ari at paggawa ng desisyon.

Kaugnay ng mga tagumpay na ito, isinaad ni CARD MBA CEO Jocelyn Dequito, "Ang mutual microinsurance ay umuusbong sa tiwala, hindi lamang sa pagitan ng mga institusyon at ng kanilang mga miyembro, kundi maging sa mga organisasyong nagtututungan para sa iisang layunin na protektahan ang mga komunidad na may mababang kita."

Nakiisa si Dr. Alip sa mga kapwa niyang pioneer sa microinsurance sa isang panel discussion tungkol sa mga pangunahing salik ng tagumpay ng mga programa sa mutual microinsurance.

Sa huling araw ay bumisita sila sa Lungsod ng San Pablo, Laguna, kung saan naobserbahan ng mga kalahok ang center meeting ng CARD Bank sa Brgy. San Gabriel. Nakapanayam din nila ang center officers, personal na nakita kung paano naghahatid ng mga serbisyo ng insurance ang CARD MBA at ang mahusay na komunikasyon nito sa mga miyembro.

Sinalihan ang seminar ng 101 practitioner at pinuno ng microinsurance mula sa Pilipinas at iba't ibang bansa kabilang ang United Kingdom, Myanmar, India, Kenya, Hong Kong, Indonesia, Malawi, Mozambique, Paraguay, Thailand, at Timor-Leste.

Sa pamamagitan ng seminar, binigyang-diin ng CARD MBA at ng ICMIF Foundation ang halaga ng kolaborasyon at pagtitiwala upang mas maging inklusibo ang proteksyong pinansyal at makabuo ng economic safety net para sa mga komunidad na may mababang kita sa buong mundo.

AHMOPI affirms partnership with PhilHealth to strengthen healthcare access

The Association of Health Maintenance Organizations of the Philippines, Inc. (AHMOPI) has reaffirmed its support for the Philippine Health Insurance Corporation (PhilHealth) and committed to strengthening collaboration with the state insurer to advance Universal Health Care and improve healthcare access for Filipinos.

In a statement, AHMOPI said the country's health maintenance organizations continue to play a complementary role in the healthcare system, supporting PhilHealth's mandate to provide universal health insurance while helping members manage healthcare costs through supplemental medical coverage.

The association stressed that the Universal Health Care Act of 2019 has significantly strengthened the country's healthcare system by automatically enrolling all Filipinos in the National Health Insurance Program administered by PhilHealth and expanding access to essential health services.

According to AHMOPI, the implementation of Universal Health Care has enabled PhilHealth to broaden its benefit packages, including primary care through the Yaman ng Kalusugan (YAKAP) Program, outpatient emergency care, outpatient procedures such as minor surgeries, chemotherapy and hemodialysis, enhanced inpatient case rates, maternity and newborn care, and specialized "Z" benefit packages for catastrophic and prolonged illnesses.

The association said these enhancements have reinforced PhilHealth's role as the country's primary healthcare payor while providing Filipinos with broader financial protection against medical expenses.

AHMOPI emphasized that HMOs complement these benefits by offering higher annual coverage limits and additional medical benefits that help reduce out-of-pocket healthcare expenses not fully covered by PhilHealth.

"Considering that all Filipinos are now PhilHealth members, HMO benefits support PhilHealth benefits, with PhilHealth serving

ASSOCIATION OF HEALTH MAINTENANCE ORGANIZATIONS OF THE PHILIPPINES, INC

Statement in Support of Philippine Health Insurance Corporation (PhilHealth)

The Health Maintenance Organization (HMO) industry in the country has resiliently been in existence for over four decades and counting. For the longest time it has been and continues to be an integral part of the country's health delivery systems.

The Association of Health Maintenance Organizations of the Philippines, Inc. (AHMOPI) is a recognized trade organization of HMOs in the country. Organized and registered with the Securities and Exchange Commission on November 13, 1997, it undertakes to protect the interest of the industry and all stakeholders of the business, its valued clients and plan holders in particular – the Filipino people.

So far, the Universal Health Care Act of 2019 (UHC) is considered the most comprehensive healthcare act to have been enacted to date. More than just expanding health coverage and improving access to healthcare services across the country, it provides for the automatic enrollment of all Filipinos in the National Health Insurance Program administered by the Philippine Health Insurance Corporation (PhilHealth).

Significantly, under the UHC framework, the pooling of health financial resources as well as health risks across the populace have resulted to an **increasing PhilHealth benefits program** both in terms of individual-based services and population-based services – coming from the perspective that the healthy and the employed essentially help subsidize the care for the sick and the marginalized. Significant benefits include **Primary Care** through the "YAKAP" (Yaman ng Kalusugan Program) which expanded its outpatient benefits program that integrates consultations; medicines and basic and preventive cancer screening; **Outpatient Emergency Care**; **Outpatient Care** which includes minor surgeries, chemotherapy and hemodialysis; **Inpatient Care** with enhanced "All Case Rates," **Zero Co-payments** for basic or ward room accommodation in government and private hospitals; **Maternity and Newborn Care**; and specialized and highly subsidized packages for catastrophic or prolonged illnesses under the "Z" **Benefit Package**.

Considering that all Filipinos are now PhilHealth members, **HMO benefits support PhilHealth benefits**, PhilHealth being the "first payor" for the same. HMOs complement PhilHealth benefits in terms of huge coverage limits on a per illness or injury per year basis, or aggregate benefit limit per year. This significantly reduces out-of-pocket expenses and essential drugs covered under coordinated UHC pathways.

The HMO industry and especially the AHMOPI is privileged to have PhilHealth as an invaluable partner in providing the Filipino people with accessible, affordable, and more importantly, preventive as well as life-saving medical interventions and insurance which result in favorable health outcomes. Under the leadership of its President and CEO, **Dr. Edwin M. Mercado, MHA, MNMC**, the AHMOPI firmly resolves to work hand-in-hand with PhilHealth, our accredited institutional healthcare providers and doctors nationwide, and the rest of our stakeholders in the industry – to further enhance the Filipino people's well-being leading to a healthier nation.

as the first payor," the association said.

The association added that the coordinated role of PhilHealth and HMOs allows members to maximize available healthcare benefits while ensuring greater financial protection during medical treatment.

AHMOPI also underscored the HMO industry's long-standing role in the country's healthcare delivery system, noting that the sector has been serving Filipinos for more than four decades by working alongside hospitals, physicians and other healthcare providers to improve access to quality medical care.

The association said it considers PhilHealth an invaluable partner in delivering accessible, affordable, preventive and life-saving healthcare services to Filipinos.

Under the leadership of PhilHealth President and Chief Executive Officer Dr. Edwin M. Mercado, AHMOPI said it remains committed to working hand in hand with the state insurer, accredited healthcare institutions, medical professionals and other stakeholders to further strengthen healthcare delivery, enhance patient outcomes and help build a healthier nation. No. 2026-0041

Clarification on the Coverage of Cases for Outpatient Emergency Care Benefit (OECB) vs. All Case Rates (ACR)

With the launch of the Outpatient Emergency Care Benefit for Facility-based Emergencies under PhilHealth Circular No. 2025-0020, PhilHealth aims to provide financial protection for patients requiring immediate, time-sensitive care. By its nature, the OECB is a "liding-over" benefit, it covers care that stabilizes the patient until discharge or admission. It is not a holding benefit. A patient who remains in the ER beyond 24 hours without a clear disposition raises a clinical and administrative concern. If admission was warranted, the order should have been given promptly; if it was not, the prolonged stay was not medically necessary. Either way, prolonged ER residence is inconsistent with the time-sensitive intent of emergency care.

PhilHealth reaffirms the right of members to understand what we cover, to receive the applicable benefit deduction at the point of care, and to seek assistance and escalation when coverage issues arise.

As such, PhilHealth provides further guidance to healthcare providers and members on the proper application of the 24-hour benchmark for the OECB, as follows:

SCENARIO	APPLICABLE BENEFIT	KEY CONDITION
Emergency/urgent case with any outcome within 24 hours	OECB	Case managed and resolved within 24 hours in the ER
Outpatient procedure done at the ER with an existing case rate	Procedure Case Rate (ACR)	Procedure has an existing ACR case rate, regardless of entry point
ER patient for whom admission orders have been issued	Applicable ACR inpatient case rate	Admission orders must be issued within 24 hours; physical location in ER is immaterial

A clear disposition (discharge or admission) must be reached promptly. The controlling factor for admitted cases is the issuance of the admission order, not the patient's physical location. A patient lingering in the ER without clear orders falls outside the intent of both the OECB and the ACR.

The basis for coverage under the OECB is not limited to the symptoms enumerated in Annex A of PC No. 2025-0020. This list is meant for data gathering and should not be interpreted as the sole basis for benefit eligibility. Facilities shall record the symptom in the list that is nearest to the chief complaint of the patient when submitting the claim.

All accredited health care institutions and professionals are reminded of the following:

- Timely disposition.** A clear clinical decision must be reached and documented within 24 hours of ER admission. Admission orders must be given promptly upon determination that inpatient care is warranted.
- Proper OECB deduction.** For eligible outpatient emergency cases, the OECB package must be deducted from the bill at the point of care. Failure to make this deduction at the point of care does not extinguish the member's right to the benefit.
- P-CARES and hospital coordinator assistance.** Hospital coordinators and P-CARES representatives must be accessible to assist members and their families in understanding coverage, facilitating benefits filing, and escalating exceptional or unclear cases to the appropriate PhilHealth Regional Office.
- No denial without basis.** Benefits shall not be denied or withheld on the sole ground that a case is complex or that the exact benefit pathway is unclear. Cases requiring determination beyond the standard protocol shall be escalated immediately.
- Anti-Hospital Deposit Law compliance.** Health facilities are reminded of the prohibition on requiring deposits or advance payments as a condition for emergency care under Republic Act No. 10992.

All PhilHealth members are entitled to the following:

- Right to benefit information.** Members may request, at any time, information on the applicable PhilHealth benefits for their case, including the OECB coverage amount, ACR case rates, and Z-Benefit entitlements. Hospital coordinators and PhilHealth Action Center staff are available to assist.
- Right to point-of-care deduction.** Eligible members must have the applicable PhilHealth benefit deducted directly from their hospital bill. Members should verify that this deduction has been applied before settling the balance.
- Right to reimbursement.** Should the OECB or applicable ACR benefit not have been deducted at the point of care, the member or the member's authorized representative may file for reimbursement at any Local Health Insurance Office (LHIO) within the prescribed filing period.
- Right to escalation.** Members who encounter issues with benefit filing, claims denial, or coverage determination may escalate their concern to the PhilHealth Regional Office or file a formal complaint through the PhilHealth Action Center.
- Right to complementary coverage.** Members who have HMO or other private health insurance coverage are encouraged to request their hospital to coordinate with both PhilHealth and their HMO to maximize benefit coverage and minimize out-of-pocket cost.

Should there be any questions or need for further assistance, you may coordinate with the P-CARES assigned to your hospital, your respective PhilHealth Regional Office, or reach out through the following support channels:

McDonald's Recruitment Activity Opens Employment Opportunities to Caviteño

The Office of the Provincial Public Employment Service Manager (OPPESM) successfully facilitated the McDonald's Recruitment Activity on July 16, at the New Provincial Government Center, Trece Martires City, providing employment opportunities to Caviteños.

A total of 41 job-seekers participated in the recruitment activity, where they underwent screening and interviews for various positions offered by McDonald's. The one-stop recruitment process enabled qualified

applicants to complete the initial hiring requirements in a convenient and accessible venue.

Demonstrating the success of the initiative, all 41 applicants were hired on the spot (HOTS), allowing them to immediately proceed with the next steps toward employment.

The recruitment activity is part of the Provincial Government of Cavite's continuing efforts to strengthen employment facilitation services by partnering with private companies to connect jobseekers with available career opportunities. Through

initiatives such as this, the OPPESM continues to make employment services more accessible while contributing to workforce development and local economic growth.--- OPIO

Medical Mission in Brgy. Acacia, Silang

The Provincial Government of Cavite, through its dedicated team from the Office of the Provincial Governor, in partnership with the Office of the Provincial Health Officer, conducted a medical mission on July 15, in Brgy. Acacia, Silang, providing essential healthcare services to 640 residents.

Healthcare professionals from General Emilio Aguinaldo Memorial Hospital

(GEAMH) rendered free medical consultations, while fasting blood sugar testing and ECG procedures were also made available to beneficiaries. To further support their health needs, the Medical Mission Team distributed free prescribed medicines and multivitamins to patients.

Fifth District Board Members Aidel Belamide and Ivey Jayne Reyes were present during the activity and expressed their support for initiatives that bring

accessible healthcare services closer to the

community.

The activity forms part of the provincial

government's continuing commitment to provide quality health-

Medical and Dental Mission in Imus City, Cavite

The Provincial Government of Cavite, through the Office of the Provincial Governor (OPG) Medical Mission Team and the Office of the Provincial Health Officer (OPHO), conducted a medical and dental mission on July 18, at Palazzo Bello 2, Barangay Carsadang Bago II, Imus City, bringing essential healthcare services closer to the community.

A total of 856 beneficiaries availed free

medical consultations, dental services, electrocardiogram (ECG) procedures, fasting blood sugar (FBS) testing, and other basic healthcare services. Free medicines were likewise distributed to beneficiaries to help address their immediate healthcare needs. Health professionals from the OPHO rendered their expertise and services to ensure that residents received quality and accessible medical care.

The successful conduct of the medical and

dental mission reflects the Provincial Government of Cavite's continued commitment to making healthcare services more accessible, particularly for communities with limited access to medical and dental care. Through sustained outreach programs, the provincial government remains steadfast in improving the quality of life of every Caviteño by providing compassionate, people-centered, and accessible healthcare services.--- OPIO

BIGAY BIGAS SA MASA SA IMUS CITY, CAVITE

Ipinababatid ni Mayor Alex Advincula ang magandang balita po para sa ating mga kababayan., dumat-ing na ngayong araw, Hulyo 13, ang unang delivery ng 30,000 sako ng tig-10 kilong bigas mula sa National Government na agad nating ipam-amahagi sa mga bene-

pisaryo sa Lungsod ng Imus. Ang mga bigas na ito ay binili sa mga kooperatibang direktang kumukuha ng **ani mula sa ating mga magsasaka sa ilalim ng Sagip Saka Act**, kaya nakatutulong hindi lamang sa mga pamilyang tatanggap nito kundi maging sa ating mga

lokal na magsasaka. **MGA PAALALA:** • Wala na po tayong pormal na programa. Come and go ang sistema upang mas mapabilis ang distribusyon. • Kabilang sa mga benepisyaryo ang Urban Poor, Solo Parent Households, Transport Groups, at Indigent Households.

CAVITE CITY HALL, MAY FREE SOLAR-POWERED EV CHARGING STATION

Mayroon nang Solar Powered Electric Vehicle (EV) Charging Station sa Cavite City Hall

bilang bahagi ng mga hakbang tungo sa mas makabago, sustainable, at environment-friendly na lungsod. Ayon sa impor-

masyon, bukas ang charging station araw-araw mula 8:00 AM hanggang 8:00 PM at available sa first come, first served basis. Para magamit

ang charging port, kinakailangang kumusta muna ng tap card sa City Hall Lobby. Dahil solar-powered ang charging station, libre ang pag-

gamit nito at nakatutulong pa sa pagsusulong ng malinis at renewable energy. Isa na namang hakbang ito ng Cavite City tungo sa mas

sustainable na kina-bukasan at paggamit ng makabagong teknolohiya para sa mga residente at bisita ng lungsod(Denver Chua/ Facebook)

Cavite successfully facilitated the 2026 Product Development Program

In a continued effort to empower Cavite Micro, Small, and Medium Enterprises (MSMEs), the Office of the Provincial Cooperatives Development Officer (OPCDO) successfully kicked-off the 2026 Product Development Program on July 9, 2026 at the New Provincial Government Center, Trece Martires City.

The activity featured one-on-one consultations, providing opportunities to the local entrepreneurs to engage and consult with technical experts for the

enhancement of their products which focuses

on product standardiza-tion, packaging mate-

rials compatibility, and brand and label design.
